

PATRIOTIC WORKERS VISIT HOSPITAL

Pilgrimage Made by Those
Who Will Help on
Tag Day.

MANY HAPPY CHILDREN

Infants Threatened With
White Plague Get New
Lease of Life.

Queen Mary Hospital for consumptive children at Weston was the rendezvous yesterday afternoon for some fifty of the patriotic women workers of Toronto, who, under the guidance of Mrs. G.R. Baker and in motors loaned by public-spirited citizens, made their way to the grounds of this interesting institution.

The outing was made as preliminary to the Queen Mary white rose tag day, which takes place on Sept. 6, and included the organizer, Mrs. Baker and captains who will take part. Accompanying the ladies were a number of men interested in the hospital: W. J. Gage, president; W. P. Gundy, vice-president; A. E. Ames, George A. Reid, G. R. Baker, G. Darby, head of the Weston sanatorium plant, and Miss Dickson, superintendent of the Queen Mary branch, did the honors, escorting the visitors thru the various buildings.

While some of the little ones seen in the wards were ostensibly ill, there were others who it was hard to believe had even the symptom of disease about them, so well and hearty did they look as they ran about the corridors and very few instances were there found of any child who looked in any way unhappy.

Attractive Surroundings.
The building where the babies are kept, was particularly interesting. Here among the pretty white furniture and spotless surroundings the visitors found a party of eight tots sitting about a low table eating their supper. The only about two years of age, they were all helping themselves out of their own little dishes, and a nurse standing near was only looking on as a general assistant. In one cot a beautiful little Italian girl with hair curling all over her head and quaint earrings in her pretty ears looked up with big inquiring brown eyes at the visitors. She is a motherless babe, but the delight of her father, who often goes to visit her, who who often goes to visit her, who who often goes to visit her.

In one of the muslin-lined swing baskets was a wee babe who took the hearts of all by storm. This was five-month-old Baby Ryan, one of five children whose mother died two weeks after being admitted to the sanatorium, and whose father, at the front, is reported wounded. The wee babe is a marvelous example of what the hospital can do, for at the age of three weeks it seemed impossible that she could live. Now she seems the nearest thing to an angel that earth can produce.

A little colored boy who has been in the institution a long time, sat up suddenly in his bed, paying no heed to things going on about him. He is blind in one eye and is seriously afflicted otherwise. A little girl who had just come in a few hours previous was quite at home as she played with the boys provided for her diversion.

Children Are Taught.
About a hundred children in the hospital, also some have been taken home for the summer. Many of the children are well enough to attend classes, a teacher being supplied by the school board. The school room with its specimens of kindergarten work and samples of domestic science work products proved of great interest. Here a pair of socks was pointed out by the superintendent, Miss Dickson, as having been done by a little Italian girl, who when she first came was every day and night crying, and when found would be stowed away in some cupboard, knitting with wool she had unraveled from anything she could lay her hands upon, using two steel from an old umbrella, as needles. Now she teaches the boys in the house how to knit for two bigger boys overseas who were once patients.

It is for these children and others afflicted with tuberculosis that the Queen Mary white rose day is held, and the surprising things that are done for the little ones in the way of cure will beyond doubt give them a generous welcome from the people of Toronto.

RETURNED SOLDIERS' OUTING.

Twenty-five returned soldiers from the Spadina Military Base Hospital were given an outing at Scarborough Beach on Wednesday night by the young ladies of the Toronto Y.M.C.A. Railway Co. officers under the supervision of Miss Hill. The party traveled to the beach in a private car, and after supper were entertained by the girls at the various amusements.

STRONG DRAMA AT STRAND.

Everybody has heard of "The Woman in White," the most famous novel ever produced by the fertile pen of Wilkie Collins. And it is the screen version of this famous work which will form the headliner at the Strand Theatre for today and tomorrow. The picture tells the story of two arch-villains who put a girl into an insane asylum, because she knew too much about their misdeeds, and who plotted about the death of another.

CHILD'S SEVERE STOMACH TROUBLE

Harriette (Ont.) Father Says Dr. Cassell's Tablets Saved His Child's Life.

Mr. Corby, Harriette P.O. Ont., writes: "Our little girl was weak from birth, and though we tried several doctors' medicine and other things she got no better. She just lay in her cot and cried, and neighbors all said we could not save her. The doctor said she had stomach trouble, and that her chances were small, yet Dr. Cassell's Tablets cured her. They have been worth their weight in gold to us, for we were just giving up hope of saving our little daughter. I don't think there is any other medicine for children like Dr. Cassell's Tablets. Publish this letter if you like; it may help others as the Tablets helped us."

A free sample of Dr. Cassell's Tablets will be sent to you on receipt of 5 cents for mailing and packing. Address: Harold P. Ritchie & Co., Ltd., 10 McCaul street, Toronto.

whom one of them had married in order to gain her fortune. How their diabolical schemes were frustrated is told in a manner which reveals the master mind and the master hand of Wilkie Collins, the great expert in conveying an impression of haunting and gruesome mystery. The production is a Pathé Gold Rooster one and Florence LaBadie is seen in the main part.

DOUGLAS FAIRBANKS AT THE REGENCY.

"Wild and Woolly" the feature attraction at the Regency this week, gives ample opportunity to "Doug" to give a complete imitation of a knight errant dressed like Buffalo Bill. A special feature shows the 48th Highlanders in New York. Next week's attraction will be Clara Kimball Young, starring in the famous Dumas play "Camille."

Bail Becoming Too Frequent In Murder Cases, Says Judge

Justice Sutherland at Osgoode Hall yesterday morning granted bail in the cases of four men charged with murder. Three of the men, Ralph Hughes and T. O'Connor, charged with being involved in the killing of Taly Naoum on Eastern avenue on the night of July 1, will be released on \$2000 bail in two sureties of \$1000 each. T. C. Robinette, K.C., appearing for Ralph Hughes and Kelly. Criss, another man held on the same charge, was not represented in court, and so will stay in jail. Bail in two sureties of \$2000 each was allowed in the case of Samuel Rogers, charged with the murder of James Gallagher in Mar-mora Township. Rogers is charged with having inflicted injuries in Gallagher's neck which resulted in his death. The coroner's jury recommended that only a charge of manslaughter be laid. In granting the bail his lordship stated that applications for bail on the charge of murder are becoming too frequent, and that sometimes the charge of murder being laid defeats the ends of justice and the accused escapes.

The Ontario non-partisan win-the-war convention on Thursday and Friday of next week will be held in the Arena, the largest building in the city. The announcement of the convention has already produced so many requests for enrolment, said Mr. Gould, the vice-chairman of the executive, yesterday, that the other halls under consideration for the great war conference had to be abandoned.

It is evident that the call for a truly popular convention looking for deliverance from the bondage of partyism will be the most welcomed event in Canadian national affairs since confederation. Citizens who have called themselves by every political name unite in saying that the convention is just what is needed to express the deep patriotism of the people who care intensely for success in the war and wish to translate their feelings into effective non-partisan action during the coming election. We have been obliged to take the Arena because no other place would do.

Ladies' organizations want to be present at a gathering which promises to be epoch-making in Ontario and Canadian history. We are assured of unique support. From one riding alone fifty Liberals and fifty Conservatives will attend, and every mail brings lists of public-spirited men who are with us heart and soul.

War Time Economy COCOA versus TEA AND COFFEE.

THE war is being fought in the kitchens of Canada, just as truly as it is in the trenches of France.

The housewife that is genuinely anxious to help the cause of our Empire will use Cocoa on her table in preference to tea and coffee, which—delightful as you may find them as mild stimulants—have no real food value, and hinder the proper digestion of starchy foods, bread, cakes and potatoes.

Saving at Home Serves in the Trenches

There is more nourishment in a cup of cocoa than in a cup of chicken soup, bouillon or beef extract. You require less of other foods when you drink cocoa. You save money on your table expenditures.

The money you save will enable you to purchase War Savings Certificates. For \$21.50 you can buy at your nearest bank or Post Office Certificate worth, in three years, \$25.00.

Cowan's Perfection Brand Cocoa for the table, and Cowan's Maple Buds or Milk Chocolate Bars for most delightful confections will be found at the stores of all dealers throughout Canada.

Ask for Cowan's ACTIVE SERVICE Chocolate, just what our Soldiers in the trenches appreciate. Specially manufactured to meet their needs.
