

is a definite cause for this weakness of any particular organ; because, for whichever organ the peculiar Impurity of the Blood present has the greatest chemical affinity, that organ is invariably the weakest.) That is where the blood is to a certain extent loaded with Impurities, and the body then subjected to exposure such as cold, damp, etc., which are among the exciting causes of disease, the weakest organ becomes choked up, its veins, ducts and capillary network obstructed, and its natural functions interrupted, consequently disease of the organ is established, either acute, or chronic, according to the extent and severity of the interruption of the function of the organ. If the weak organ be the Lungs, we have disease of the Lungs; if the Kidneys, disease of the Kidneys; if the organs of Generation, disease of those organs; if the Liver, disease of the Liver; if the Glands, Joints, Muscles, Skin, etc., we have present Scrofula, or Rheumatism, or Skin disease, etc., etc., etc.

There is another condition of the Blood, above alluded to, which is a source of much evil: namely, Impoverishment, which signifies an excess of water, and a deficiency in the quality and quantity of the red corpuscles, which latter are the vitality and life sustaining principle of the blood.

From this impoverished condition of the blood, several diseases have their origin; Emaciation, Debility, Coldness of the hands and feet, Loss of Vigor and Strength, Weakness, etc., are the ordinary symptoms. As the Blood loses its vigor Nervous prostration ensues, a sense of weakness and lassitude is felt on even the slightest exertion, a wasting pallor, and a general flagging of the vital forces. These are the silent evidences of disorganization.

NORTHROP & LYMAN, VEGETABLE DISCOVERY.

Is a specific for all diseases originating from Impurities or Impoverishment of the Blood. Its mild vegetable antidote constituent properties dissolving out and chemically changing, not only the Impurities floating in the Blood itself, but those also which have been lodged and are choking up and producing congestion and disease in any organ or part of the body, thereby assisting nature to re-establish her free and healthful circulation of Blood through those organs, restoring them to health and vigor. While those properties, having an affinity for the digestive organs, etc., they also restore the functions of digestion and assimilation, nourishing and enriching the blood in a manner surprising even to the most skeptical.

These various properties of our Vegetable Discovery, for renovating and Invigorating the whole Digestive Organism and Purifying and Enriching the Blood, overcoming Congestion, etc., in any part of the body, along with its action on the nervous

system and its power of restoring to healthy action the functions of the Liver, Kidneys Bowels, Skin, and Lungs, may be said to be the leading features of the Compound. I may here add, that to those antidote properties, possessing that peculiar power of cleansing the Blood of those impurities which produce congestion and disease of internal organs, are due in great measure the remarkably restorative operation of the Vegetable Discovery in diseases peculiar to females.

A PERFECT RENOVATOR AND INVIGORATOR OF THE SYSTEM.

Mr. John Magwood, Victoria Road, writes: "Northrop & Lyman's Vegetable Discovery is a splendid medicine. My customers say they never used anything so effectual. Good results immediately follow its use. I know its value from personal experience, having been troubled for nine or ten years with Dyspepsia, and since using it digestion goes on without that depressed feeling so well known to dyspeptics. I have no hesitation in recommending it in any case of Indigestion, Constipation, Heartburn, or trouble arising from a disordered stomach."

NO ARTICLE TAKES HOLD of blood diseases like Northrop & Lyman's Vegetable Discovery. It works like magic. Miss C—, Toronto, writes: "I have to thank you for what Northrop & Lyman's Vegetable Discovery has done for me. I had a sore on my knee as large as the palm of my hand, and could get nothing to do any good until I used the Discovery. Four bottles completely cured it."

Mr. John Anderson, Grassmere, Ont., writes: "The Vegetable Discovery you sent me is all gone, and I am glad to say that it has greatly benefitted those who have used it. One man in particular says it has made him a new man, and he cannot say too much for its cleansing and curative qualities."

Mr. H. B. McKinnon, painter, Mount Albert, says: "Last summer my system got impregnated with the lead and turpentine used in painting; my body was covered with scarlet spots as large as a twenty-five cent piece, and I was in such a state that I could scarcely walk. I got a bottle of Northrop & Lyman's Vegetable Discovery, and at once commenced taking it in large doses, and before one-half the bottle was used there was not a spot to be seen and I never felt better in my life. I think this medicine the best Blood Purifier ever discovered."

FOR THE THOROUGH and speedy cure of all blood diseases and Eruptions of the Skin, take Northrop & Lyman's Vegetable Discovery. Mrs. B. Forbes, Detroit, had a running sore on her leg for a long time; commenced using Northrop & Lyman's Vegetable Discovery, and she is now completely cured. Her husband thinks there is nothing equal to it for ague or any low fever.

WHY SUFFER from disorders caused by Impure Blood, when thousands are being cured by using Northrop & Lyman's Vegetable Discovery? It removes Pimples and all Eruptions of the Skin. Mr. John C. Fox, Olinda, writes: "Northrop & Lyman's Vegetable Discovery is giving good satisfaction. Those who have used it say it has done them more good than anything they have ever taken."
