

Still much remains to be done, and we conclude our report with the prayer and hope, that the blessing of God may rest upon the Protestant House of Industry and Refuge, so that it may be made the means of bringing much comfort to the poor and needy, and that a large measure of success may be vouchsafed to those who shall succeed us, for the coming year, in the office

which we have had the honor to hold for the year that is past.

The whole is respectfully submitted.

JOHN GREENSHIELDS, Convener.

Sub-Committee for relieving the poor
Montreal, April 20th.
