The Holiday Gift that Men Really Appreciate

A good lather brush is something every man wants. It is not a gift he will look at and put away in a drawer. If it is a good brush he will use it and appreciate it every morning in the year. If it is a Simms Lather Brush it will last him many years and every morning when he uses it—when he feels its fine soft bristles gently massaging his face he will think of that Christmas morning when you gave it to him.

To be sure it will get the Committee's O. K., look for the Simms trademark on the handle. Then you cannot make a mistake. Every one is guaranteed. Price 50c. to \$15.
