Notes of Interest.
Promoter Tex Rickard, who is looking the country over for a suitable place to promote his heavy-weight championship battle between Jess Willard and Jack Dempsey, July 4, is interested in the action being taken on the Bosing bill pending at Albany. Rickard, it is understood, is withholding final announcement of the battleground until it is decided one way or another whether New York is to have a restoration of the ring sport. Willard and Dempsey will probably settle their pugilistic dispute in this city if the legislators pass favorably on the pending bills. It is known that Rickard favors New York, with its limited-round bouts, to

Bout to a Finish.
New York, March 18.—The conditions of the wrestling match between Wladek Zyzyanski and Ed (Strangler) Lewis, which will be held at Madison Square Garden Friday night, are expected to spur the grapplers to their best efforts. It has been decided that unless a fall is accomplished by one of the wrestlers the match will be declared no-contest and the spectators will have their money refunded. The wrestlers have agreed to work on a winner-take-all basis.

HERE'S THE STORY:

GENEVA FRENCH thought that she would be able to do as she pleased when she married Lawrence Tabor, the youngest member of her stern father's circle of friends. To her the marriage ring meant a declaration of independence.

In the unrestrained pursuit of happiness and freedom her name became linked in society gossip, and she was a jest to be bandied about by young men. Yet through a most ingenious trick of psychology her husband was able to bring her to her senses and to make of her a good wife, and what is more, a good mother.

How this was accomplished forms the theme of "Talk of the Town," a photodrama starring beautiful Dorothy Phillips. To know you must see "Talk of the Town" yourself.

THIS STORY SUGGESTS:

Do not absolutely forbid anything. Remember "the forbidden thing is the thing desired."

Discourage the public dance hall. Let your daughter stage her dances in her own home.

Encourage her in simple dress. Daring sensational costumes often invite insulting comments and remarks from men.

Do not be afraid to let her see good sex plays. They will show her the right and wrong paths for a young girl to pursue.

If you want to see what happened to a girl whose parents did not follow out these commandments, but who went exactly opposite to the ideas contained in them, go and see "The Talk of the Town."

Southern or Western locations, where contests are permitted over a distance. There is nothing in the articles signed by both boxers and Rickard which stipulates where the match must be held or its distance. The parties concerned are favorable to a short bout if the financial remuneration is forthcoming. Dempsey is inclined to a long bout, but is confident in his ability to defeat Willard over any distance. The title holder, who will welcome a short encounter. Disposition of the bout will not be definitely announced until some time in May. Promoter Rickard declared yesterday that he was planning to devote his entire time after May 1 to the details of the bout.

Irish Patsy Cline, who is attempting a "come back," has contracted for a ten-round bout against Jimmy Duffy, of Lockport, N. Y., to be held March 24 at Montreal, Canada.

Jimmy Duffy, a west side lightweight, who has boxed against the leaders of his class, has returned to New York after receiving his honorable discharge from the army. Duffy plans an easy return to ring activity.

Pete Herman of New Orleans, banterweight champion, and Pat Moore of Memphis, Tenn., rival, have been matched for an eight-round bout to be promoted at Memphis, March 24.

Kitchie Mitchell of Milwaukee and Charley White of Chicago, lightweight championship contenders, will be opponents in a bout at Superior, Wis., Friday night. Mitchell has also contracted for a bout against Johnny Dundee, which will be conducted at Milwaukee, April 4.

Benny Leonard, lightweight champion, is expected to arrive in New York after his trip to California, on April 7.

Mike Gibbons of St. Paul, and his brother Tom, are contemplating a trip to Europe for the purpose of boxing the leading European boxers. The Gibbons brothers plan to sail during the latter part of May. Mike, it is expected, will seek a match with W. Beckett, who recently knocked out Billy Wells, England's heavyweight champion, while Tom plans to start his European campaign with a bout against Joe Goddard, English middleweight title holder.

A bill to legalize boxing in Rhode Island has been introduced at Providence. The bill provides for a State Athletic Commission of three salaried members and places a maximum limit of fifteen rounds on bouts. Five per cent. of the gross receipts of all shows would be collected as a state tax, and it is provided that any person or club participating in a sham or fake bout shall be eliminated from the sport.

placed in the way of the deal will be difficult to overcome, and to pacify the Pirate owner it may be necessary to win him over by giving him a player or two. It is believed that Dreyfus would be glad to get a promising youngster, and the Giants have several which they will have to turn loose after the spring training trip.

The Giants are badly in need of another catcher. In order to have enough catchers to work out the big pitching staff Manager McGraw has been forced to enlist the services of his old coach, George Gibson, from Toronto. McGraw has lost three catchers this winter, Gibson, Bill Hariden, and George O'Neil, the St. Louis youngster, who has gone to Bill Clymer's club at Seattle.

Lew McCarty is the only regular catcher McGraw has, and he plans to use Earl Smith, the hard-hitting youngster who was secured from Rochester, as soon as the lad is ready to take the regular assignment. McGraw is anxious to get Gonzales, who has developed into a fine backstop in St. Louis. The catcher is now playing in Cuba and is in good shape all the year round. Gonzales proved a valuable man as a pinch hitter with the Cardinals, and was used in this capacity often last year by Manager Hendricks when he was not catching regularly.

If McGraw could get Gonzales he would have the heaviest hitting catching staff in either league. McCarty is a normal 200 hitter, and last year with Rochester Smith batted the ball at a .388 clip. Gonzales batted .232 with the Cards last season, but this is below his normal clip.

Wild Bill Donovan, formerly manager of the Yanks and now pilot of the Jersey City Club of the International League, called at the Yanks' headquarters yesterday in search of players. He got some of the excess talent which Manager Huggins will turn loose at the end of the spring training trip. Bill says he needs a shortstop badly.

HOME RUN BAKER DECIDES TO PLAY

Yankees' Noted Slugger Yields to Blandishments of Huston and Huggins

New York, March 18.—There was much rejoicing at the headquarters of the Yankees yesterday, for Home Run Baker has finally consented to play ball again. Colonel T. L. Huston and Manager Miller Huggins visited the third baseman at his home in Trappe, Md., on Friday and after a long conference the player was won over and will again be at the third corner at the Polo Ground.

Baker may not be able to arrange his business affairs in time to do much training at Jacksonville, where the Yankees will train, but he will join the club as soon as possible and will probably take part in the exhibition games which the club will play with the Dodgers on the trip north.

With Baker back in the fold, the chances of the Yankees are much brighter, for he is the most substantial batsman in Huggins' outfit. With Baker and Peckinpaugh in line the only gap in the infield is at second base. Pratt has not yet signed, but Huggins has been insistent in his claim for Robertson. He figures that if Robertson is going to play anywhere Pittsburgh would have good use for him.

Robertson has made it plain that he will not play with any club but Washington, and if Dreyfus insists on refusing to allow him to get out of the National League he will retire from the game and go into business with his father in Virginia.

Although Lavan has signified that he was through with baseball, he has been in touch with Rickey and the St. Louis manager has assured him that he will return to the game if he can play with St. Louis. Lavan broke into the game under Rickey when he managed the St. Louis Browns. He is now a physician in the United States navy and is in Cuban waters on board the U. S. S. Mississippi. He expects to get out of the service within a short time and for that reason Rickey has been trying hard to put the deal through.

The obstacle which Dreyfus has Cincinnati Reds. Fisher is a dependable batsman and will be a strong addition to Manager Moran's pitching staff. Manager Huggins is strong in pitchers, and is cutting down his supply of players before going South this week.

DREYFUSS HOLDS UP BIG BASEBALL DEAL

Pirate Owner Refuses to Allow Robertson Out of the National League

New York, March 18.—The three-cornered deal which Manager Branch Rickey has been trying to put through among the New York, St. Louis and Washington clubs has been blocked by Dreyfus of Pittsburgh. Rickey's object in coming here was to trade Catcher Mike Gonzales of the Cardinals to the Giants, while the Giants were to let outfielder Davey Robertson go to Washington, and Washington in turn was to hand over short-stop Doc Lavan to Rickey.

It seems that all the club owners but Dreyfus waived claims on Robertson. Dreyfus refuses to let him get away from the National League. Dreyfus and Rickey had a long talk before the St. Louis manager left town yesterday morning, but the Pirate owner was still insistent in his claim for Robertson. He figures that if Robertson is going to play anywhere Pittsburgh would have good use for him.
