## HELP!

Might we ask the advertisers in  
the Times-Star to let us have  
their ad. copy not later than 6  
o'clock the morning before the day  
on which insertion is desired?

The crush of advertising, which  
the Times has been carrying the  
last few months, makes a call for  
HELP on the part of the business  
office an urgent necessity.

It's hardly necessary to state the  
value to YOU of this feature, &  
the earlier the paper is out, the  
larger the sale—hence, an increas-  
ed market for you.

It also means that your adver-  
tisement will receive the best  
attention as regards typographic  
treatment; will be dressed in the  
way your PUBLIC SALESMAN  
should be dressed. Best work, of  
course, can't be done in a rush,  
and neither you nor THE TIMES  
is satisfied with a poorly dressed ad.

The unfortunate fact that quite  
frequently advertisements have to  
be omitted from THE TIMES on  
account of late copy, prompts this  
S.O.S. call, and really your own  
best interests would demand that  
it be heeded.

Advertising Manager
