OUCH! CORNS!

LIFT CORNS OFF

Doesn't hurt a bit to lift any corn right off with fingers

Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right off. It doesn't pain one bit. Yes, magic!
Why wait? Your druggist sells a tiny bottle of Freezone for a few cents, sufficient to rid your feet of every hard corn, soft corn, or corn between the toes, and calluses, without soreness or irritation. Freezone is the much talked of ether discovery of a Cincinnati genius.
