HERE'S A THOUGHT.

FOLLOW IT OUT. The shorter the time on which goods are sold, the lower the price and the finer the profit.

The day laborer who sells his labor at cost must be paid cash. The commission merchant doing business on 2-1-2 per cent, sells only for cash.

In the dry goods business, Cotton goods, on which the profits are reduced to a minimum, must be paid for by the merchant in 30 days; and yet that same merchant is willing and anxious to charge goods for six months. Doesn't it look as if he made it up on other lines; and don't you think the profit on dry goods could be smaller if the time was shortened.

—THAT'S WHAT— HUNTER HAMILTON & McKAY ARE DOING. WALL PAPERS.

I have just received another large lot of new goods of all grades, borders to match, also, a large variety of plain and decorated window shades.

DR. SHARP'S ENGLISH TONIC BITTERS.

These well known and unrivalled BITTERS, prepared by a peculiar and elaborate chemical process, from rare plants and herbs, and entirely free from all mineral, acid, and other noxious ingredients, have been found the most useful in Dyspepsia or indigestion, Diarrhoea of the Liver and Kidneys, and Irritability of the Bowels.

In all cases of Debility, whether arising from illness, fatigue, or other causes, they prove eminently serviceable and afford reliable relief, and, being devoid of all irritating and other injurious stimulants, may be given with happy effect to young children, correcting in them the tendency to the generation of worms, and other Bovel complaints.

For Females these Bitters are peculiarly suitable, giving tone and vigor to the system, and imparting new strength to the frame, which, when prostrated by any of the exhausting causes may have impaired.

These Bitters produce a feeling of invigoration, removing depression or melancholy, and hence are of great value in the treatment of Mental and Nervous affections. They produce a healthy flow of the secretions, and should be used by all who suffer from DEPRESSION OF SPIRITS, NERVOUSNESS, LOSS OF APETITE, and all kindred complaints.

Everybody knows that Sharp's Balsam of Honey and Aniseed is the best cough medicine ever offered to the public.

Everybody ought to know that Sharp's English Tonic Bitters cannot be too highly commended for the diseases they are recommended to cure.

The rich should not delay a moment to procure and use these Bitters, sold wholesale by H. B. Barker & Sons, St. John, and retail by all druggists. The price is reduced, so as to come within the reach of all. 25 cents per bottle. PREPARED BY Sharp's Balsam Manufacturing Company, St. John, N. B., to whom orders may be addressed.

THE NEBRASKA CANAL.

Some Interesting Facts Regarding This Great Undertaking.

New York, July 13.—Advance sheets have been issued by the Nicaragua Canal Co. of a pamphlet which presents the most complete description of the work of constructing the great ship canal across Isthmus. There will be a total navigation, in the several basins now existing and to be constructed, of twenty-one miles. From navigation will be had in the San Juan river of sixty-four and a half miles and in Lake Nicaragua of fifty-six and a half miles, a total of 121 miles. With the exception of the rock cuts in the center and where the canal is excavated, will be at least a wide enough for two ships to travel in opposite directions. Through the basins and in the lake and river vessels can pass each other and navigate with entire freedom.

MONDAY, JULY 15.—A most outrageous case was made here on Saturday afternoon, when Miss Manie Tibbitts, the daughter of a well-known merchant of Fredericton, N. B., and the first lady in the University of New Brunswick, who was passing through Delport was arrested at the instance of the Montreal aldermen, as having been mixed up in a mysterious marriage case which occurred here a few months ago.

Her companion on the train, Miss Tibbitts was never before in Montreal and the warrant upon which she was arrested charges her with having conspired to murder one of the Montreal family on the 24th March last. The poor girl was kept in the cells all Sunday and Monday, and on Tuesday morning she was obliged to give a bond for her appearance in court.

Yesterday Mrs. Tibbitts, of Fredericton, received a telegram from her daughter, Mary K. Tibbitts, now in Montreal, stating that she had been arrested for a crime which had been committed at that place last March. Mrs. Tibbitts is a most tender nature, and was advised by the gentleman to go to Montreal with proof of her daughter's identity, and of her attendance at the University of New Brunswick at the time mentioned.

Miss Tibbitts is one of Fredericton's finest daughters, and has just graduated from the University of New Brunswick. After the closing of school she started on a trip to New York, to visit her sister Mrs. Howell, and the suggestion was that some being deceived, mistook the lady and tracked her to Montreal, where she arrived last night.

The case is evidently one of mistaken identity, and it is to be hoped that there cannot be a possible doubt of the young lady's innocence of any offence, contrary to the law and what is right. Miss Tibbitts was at home in Montreal, attending college, and although her name will not appear in the paper, she is a most tender nature, and cannot be said to give deeply at the situation in which she has been placed, and the effect the startling announcement of her arrest will have upon her friends.

In her three years college course she has shown her college course, and in a charge against her as attempted murder is nothing more than outrageous.

Some of her college course, too, Miss Tibbitts had pleased many honors, and graduated well up in the lists of her class.

The arrest of Miss Tibbitts has excited a lively degree of indignation among the people of Fredericton, who cannot understand how so stupid a blunder could have occurred.

A TIP FOR SULLIVAN.

Head Clerk, Keep Away from New Brunswick.

New York, July 15. Inquiry at the district attorney's office regarding the possibility of John L. Sullivan being arrested at this city was met with a prompt answer from assistant district attorney Lindsay that he could be if the governor of Mississippi should make the request of Governor Hill. The extradition law is so complete that a man could be arrested in Maine for a slight misdemeanor in California. A dispatch from Chicago announces the arrival of Sullivan in this city. He left the train at Twenty-second street and disappeared.

APRIL 25th.—A proposal for the construction of a canal from the St. John River to the Gulf of St. Lawrence, from Prince to Orange, Prince from Orange to Westworth, (east) from Westworth to Pitt. Hillford (north) from German to Charlotte, King (north) from Westworth to Pitt Hillford.

THE SWEET BYE AND BYE.—The music of the very popular composition known as "The Sweet Bye and Bye" was played on the chimes in the steps of the Cathedral yesterday.
