

SHAWMUT MACHINE CO.

MANUFACTURERS OF THE

MOST IMPROVED BOOT AND SHOE MACHINERY

Fig. A.

TWIN EDGE SETTER.

Fig. B.

CARBURETTER.

Figure A represents our Celebrated **TWIN EDGE BURNISHING MACHINE**, for burnishing the edges of boots and shoes, and adapted for two operators. We also build **SINGLE HEAD MACHINES**, having the same simple mechanism, but adapted for one workman.

Figure B represents our **CARBURETTER**, built expressly for heating tools in boot and shoe factories, making its own gas as wanted, and admirably adapted for the purpose.

ALL OUR MACHINERY

is constructed upon strictly **MECHANICAL PRINCIPLES**, and in the best manner.

Special attention given to Export Orders. **CORRESPONDENCE SOLICITED.**
