

OUR COUNTRY CORRESPONDENCE.

EDMUNDSTON.

Edmundston, July 22—The Madawaska county court opened on the 16th inst. Judge Stevens presiding. There was no criminal business to come before the court, and only two civil cases. The first case, an action of replevin, was put off until next term.

The second case, an action of tort brought by Paul J. Hallett vs. E. R. Rouse et al, for obstructing Green River, was tried and occupied the court three days. Being a non-jury case, the judge took time to consider his verdict; counsel for the plaintiff, Aaron Lawson; for defendant, Fred Laforest.

After the business of the court was finished and before adjourning, Mr. Laforest asked his honor to allow him to congratulate his honor on having lately celebrated the 80th anniversary of his birth. He also referred to the fact of this being the 28th anniversary of the opening of the first court held in Madawaska, and which had been opened by his honor in July, 1874. His verdict to the kind and friendly relations which had always existed between his honor and the members of the bar, and respect and esteem entertained towards his honor both as a judge and a man, not only by the members of the bar but also by the people of Madawaska at large.

Aaron Lawson, Barry R. Plant and Pius Michaud also addressed his honor in similar terms, all wishing him many years to come of health and vigor.

His honor, who was visibly affected by these expressions of respect and esteem towards himself from the members of the bar, replied very feelingly.

BLISSVILLE.

Blissville, July 21—The Free Baptist church here was reopened yesterday for divine service, after being repaired. There were two ministers present, besides the pastor, Rev. Dr. McLeod, of Fredericton, and Rev. F. A. Hartley, Fredericton Junction. The former preached an eloquent sermon in the morning from I Cor. 13: 4-7. "Ye are God's building," and the latter in the evening from II Chron. 6: 41. "Now, therefore, arise O Lord God, into thy resting place, thou and ark of thy strength, let thy priests, O Lord God, be clothed with salvation, and let thy saints rejoice in goodness."

The church has been in the hands of the carpenters and painters for some time, and is now a tasteful and beautiful building. The ceiling is metallic, done in cream, with cornice tinted pink; part of the wood work is painted in oak. The church is practically new inside, as new furnishings have been provided, including carpeting, chandeliers, etc. A new clock was presented by Mrs. W. G. Smith.

The outside has also been repainted and a vestibule added. The improvements cost between \$300 and \$500, and are already nearly paid for.

Several farmers commenced haying last week, one of whom had 40 tons cut in his field at one time. The haying season is now well advanced. Haying will be general this week.

SUSSEX.

Sussex, N. B., July 23—Deputy Sheriff Fred Freese, accompanied by Hon. A. S. White and a jury composed of Elias Harwood, John Jamieson, of Hammond, and J. R. McLean and King McFarlan, of Sussex, drove to Studholm this morning and met the road commissioners, Messrs. Kennedy and Gaudet, and proceeded to assess the damages to property owners in regard to the changing of the road from Roncheville to Herwick.

At the new factory being built by the Sussex Wood Working Company, a large smoke stack was erected yesterday morning by James E. Tribe. The smoke stack was 90 feet long and weighed six tons. It had to be raised up and stepped into a chimney 30 feet high. It was a nice piece of engineering, and was accomplished in about two hours without a hitch.

Colonel H. M. Campbell has returned from Montreal, where he had accompanied his wife, who embarked last week for England.

FREDERICTON.

Fredericton, July 23—(Special)—The preliminary examination of Wesley Krany, charged with the rape of a young girl, was concluded by Colonel Marsh this afternoon, and the prisoner was committed for trial at the next term of the York County court in January.

Robert Phillips, of this city, who served in South Africa, with the Madawaska returned home by boat this afternoon and is being heartily welcomed by many friends. James Tennant and Harry Ryan, other Fredericton boys, were invalided to England, and Samuel Jones remained in South Africa.

The Royal Gazette announces that Mrs. A. J. Clarke has been appointed a member of the Newcastle school board in room of Mrs. E. Sinclair, resigned.

Rev. E. L. Coffin, of St. John, has been given permission to solemnize marriages.

Letters patent have been issued incorporating Samuel Winter, William Christie, James McD. Cook, G. R. Jones, Andrew H. Jones and Albert Reilly, of Moncton, and James P. Geddes, of New York, as "The British Columbia Mica Company, Limited." The object is to acquire and operate mining leases and property in New Brunswick and also in Carleton, district of British Columbia. The capital stock is \$1,000,000, divided in 10,000 shares of \$100 each.

The Royal Regiment Band gave a delightful concert on Officers' square this evening.

The home of Mr. and Mrs. Angus S. Fraser, of Nashvauk, was the scene of a happy event, when their daughter, Miss Janet Rosella, was united in marriage to Howard Douglas, of Stanley, the well known and popular musician of that place. upwards of 100 guests were present. Mr. and Mrs. Douglas will make a short bridal tour to the United States before taking up their residence at Stanley.

General Superintendent Osborne, Superintendent Newcombe and Chief Engineer, Harbour, of the C. P. R. were in the city this morning and went to Woodstock upon

HARVEY STATION.

Harvey Station, York county, July 22—Crops are now looking fairly well, having made remarkable progress during the past three weeks. Hay will be almost an average crop, and some farmers have begun cutting grain. It will be somewhat short, but root crops promise well. Parties who have been in the woods to the west of the Harvey Lake, say that moose are plentiful in that locality. Numerous tracks have been seen. Two large moose were seen swimming in the western part of the lake a few days ago.

Mrs. J. A. Glendinning, with her little daughter, went to Boston Saturday evening, to rejoin her husband, who has secured a good position in a railway office there.

Miss Emily J. Hunter, of the Superior school here, has gone to Millencote to visit her sister, who resides there.

Allan Glover, the young man who was so badly hurt by falling from a train near this station about a fortnight ago, is recovering slowly and will be likely to regain his former health. He is in the Victoria Hospital at Fredericton.

NEW JERUSALEM.

New Jerusalem, July 22—George Hamilton met with a severe accident on Sunday morning while driving to church. He was thrown from his carriage and received a bad cut over the eye. It was necessary to call Doctor McDonald, of Hamplated.

Miss Annie Vallis is taking a four weeks' course at the St. John's Free School. Mrs. Chas. E. Webb and children, of Boston, are spending the summer here.

Mrs. Lowery, of Pettoicade, is visiting her mother.

Visitors from St. John are Mrs. H. W. Machum and family, Miss Susie Smith, Miss Maud Kee, Eiting Brown, Gordon and Don Van der Meer.

Rev. Wm. Johnson preached to a very large congregation in the Methodist church Sunday evening.

DEER ISLAND.

Deer Island, July 22—Mr. and Mrs. Everett Darling, of Derby (Conn.), have been leaving here two weeks with Mr. and Mrs. Alton Hayer.

J. K. Fountain made a flying trip to St. Stephen Saturday.

Miss Florence Rogers, a graduate of the Boston School of Oratory, is expected to give entertainments in the Free Baptist churches at Fair Haven and Chocomaque Cove.

Miss Mabel Chaffey has returned from Red Beach (Me.), where she has been visiting her brother, who was seriously injured in a gravel pit at that place a short time ago.

Rev. J. N. Barnes assisted Rev. T. S. Vanwart in his services at Fair Haven and Chocomaque Cove Sunday. Special music was prepared by the choir of Chocomaque Cove church.

Miss Della Haney, of the Lubec Herald office, is spending the summer at home.

Mrs. John Emery and children, of Eastport, are visiting their aunt, Mrs. J. K. Fountain.

WHITE'S COVE.

White's Cove, July 22—The people here began haying and it looks very much like a showery. All kinds of crops look well.

John E. Wright, who has been in the haying trade here, Sunday home, and making trade here, left for St. John this morning by the May Queen.

Rev. A. B. McDonald preached at Mill Cove yesterday afternoon.

Mr. McKinley has a new mowing machine which he purchased from A. B. Wetmore.

Rev. H. F. Adams will occupy the pulpit of the Baptist church Sunday, July 27, at 3 p. m., in the interest of the twentieth century fund.

Miss R. Kaye Orchard, of Portland (Me.), is spending her vacation at her old home.

ST. ANDREWS.

St. Andrews, July 22—(Special)—The coroner's jury in the case of Robert Stevenson brought in a verdict tonight that deceased met death accidentally by coming in collision with the C. P. R. train at a railroad crossing on July 16; that the train officials complied with the rules and regulations of the railway company, but the company itself was guilty of gross neglect in not providing better protection to the public at this very dangerous crossing.

BAYSWATER.

Bayswater, July 21—A very pleasant event took place Monday evening at the Baywater Hotel, when the lady guests assembled in the dining room and presented the general hostess a very handsome tete-a-tete chair. The presentation was made by Mrs. Fred Hawhurst, in a speech well chosen, which testified to the high esteem in which the hostess was held by her guests. Mrs. McCreae was taken entirely by surprise but made a suitable reply, thanking her friends for their gift and good wishes. At the same time Miss Maude McCreae was made the recipient of a very handsome dressing case by the ladies at the hotel, it being her birthday.

HARTLAND.

Hartland, N. B., July 24—The most destructive hail and wind storm that ever visited the section passed over here last week. Several farmers are practically ruined. John Lesley, of Coldstream, had three large barns blown down, and all his crops are ruined. Others, too, are seriously injured. Rev. B. J. Draycott preached upon the application of religion to forestry. The service was largely attended.

Rev. A. A. Rideout, of Marysville, is spending his vacation here.

The C. P. R. are building a 40-foot addition to their freight shed. They are also making decided improvements to their entire premises here, all in evidence of the steady increase of traffic from this station.

The Hartland Woodworking Company has been shut down for some time, because of James F. Alcorn retiring from its management. This is a good opening for the right man, who has some large property to procure a foreman for the business.

Great sympathy is being expressed in business circles here for F. Alcorn Company, because of the burning of their mill recently. It is generally believed to have been the work of an incendiary. The loss to labor is great, as they employed a large crew. It is hoped they will be able to resume business at an early date.

HOPEWELL HILL.

Hopewell Hill, July 22—A successful musical and literary entertainment, under the auspices of the ladies of the public hall, here, last evening. Miss Margaret Loyds, of Hopewell Cove, a popular declamator, gave a number of readings, which were given by C. Elvin, Miss M. B. Dixon and Mrs. A. O. Copp. Miss Cora I. F. Peck and Mrs. J. B. Carstairs were the accompanists.

The proceeds, which amounted to nearly \$30, will be used in the purchase of a new organ for the church of this village.

Mrs. M. A. Freese, of Hartford (Conn.), and Mrs. Alex. Rogers here, last week.

MONCTON.

Moncton, July 23—The total collections made in connection with the laundry payers to date, greatly exceed the total amount paid in on the same date last year. On Saturday, the last day of the five per cent. discount period, the amount of taxes paid in was \$22,500, in round figures, which is considerably in excess of any previous year in the history of the city.

The Moncton Fox Creek Agricultural Society had a very successful excursion to Napoleon yesterday, members of the society being shown over the government experimental farm by Prof. Robertson. All were well pleased.

NORTH SYDNEY.

North Sydney, July 22—The N. S. Eastern Baptist Association has been in session with Calvary Baptist church during the week. About 100 delegates have been in attendance. Doctor Trotter, president of Acadia University, represented the university in a very able address, and Doctor Black, editor of the Messenger and Visitor, was also present, delivering several addresses and, with Doctor Trotter, officiating in the Presbyterian church on Sunday. Rev. P. M. Young is selected to preach before the association's second meeting next year, when the association will meet at Base River.

The Nova Scotia Steel & Coal Company propose building a sawmill at North Sydney, which will give employment to a large number of men. Plans have already been prepared.

The Cape Breton Silicate Brick Company has let the contract for a building to be erected at the lower end of the town. The building will be 100 feet long, 50 feet wide and two stories high. The company expects to start manufacturing by October.

The Canadian Scotia Block Company, of which Hon. Geo. E. Foster and Hon. John Dryden, of Toronto, are directors,

is negotiating for a suitable site for the establishment of their industry. Their representative is much pleased with North Sydney, a choice from which to work, and it is said that immediate steps will be taken to start the industry. It is stated that scoria blocks can be manufactured here 25 per cent. less than in England or Belgium, where they are now made.

The I. C. R. officials recently paid a visit here and as result tenders are now being asked for extensions of the terminal wharf and other improvements. It is thought also that the road will be extended to Sydney-Burns, where there is considerable development because of the steel works now in the course of construction. The Nova Scotia Steel Company the workmen. The officials of the company will reside in North Sydney, Graham Eraser, with his family, being already here. Mr. Donker is building a very fine residence on King street.

A fine game of base ball was played by the teams representing North Sydney and Sydney on Saturday afternoon. The match was won by North Sydney by two runs. This was the sixth game of the Cape Breton League for the Dunbrack cup.

Captain Jackson of the schooner "Warrior" dropped dead while at his post, on Friday night. He was widely known and universally respected.

HALIFAX.

Halifax, July 24—(Special)—Provincial Constable Harry Wright will leave in the morning for Bridgetown in connection with the capture there today of the notorious Frank Sabean. Wright has four warrants against him.

John G. McNeil was instantly killed this morning at North Sydney Junction. He fell between the engine and tender of a train.

TRURO.

Truro, N. S., July 23—(Special)—Truro will make efforts to get the new works of the Montreal Pipe Company located here. The board of trade appointed a committee to wait on the town council and express the feeling of the board in favor of offering the company inducements to come here and to urge the council to take steps to bring the concern to Truro. Manager Edwards is not in a position to say what proposition will be acceptable.

Joseph Wallace, 11, son of Thomas Wallace, and stepson of the present Mrs. Wallace. It seems Joe and his stepmother have not been getting on well, and the effects of the intense strain of public life, to ward off the ill effects of the changeable climate of Washington. They keep it in their homes for family hours, and they do not hesitate in public print to declare their appreciation and endorsement of this greatest of modern remedies.

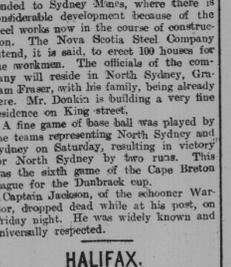

It is exactly as Congressman Crowley says: "Peruna is a swift and sure remedy for coughs, colds and the grippe and all catarrhal complaints. It is an excellent remedy in all nervous troubles. It is what thousands of other people are saying all over the United States."

Another remedy invented by man has ever received as much praise from men of high station as Peruna. Over forty members of Congress have tried it and recommended it to suffering humanity. They use it themselves to guard against the effects of the intense strain of public life, to ward off the ill effects of the changeable climate of Washington. They keep it in their homes for family hours, and they do not hesitate in public print to declare their appreciation and endorsement of this greatest of modern remedies.

It is exactly as Congressman Crowley says: "Peruna is a swift and sure remedy for coughs, colds and the grippe and all catarrhal complaints. It is an excellent remedy in all nervous troubles. It is what thousands of other people are saying all over the United States."

CONGRESSMAN CROWLEY

Uses Per-u-na in His Family For Catarrhal and Nervous Affections.

Hon. Joseph B. Crowley, Congressman from Illinois, writes from Robinson, Ill., the following praise for the great catarrhal tonic Peruna. Congressman Crowley says: "After giving Peruna a fair trial I can cheerfully recommend your remedy to anyone suffering with coughs, colds and the grippe, and all catarrhal complaints."

"Mrs. Crowley has taken a number of bottles of Peruna on account of nervous troubles. It has proven a strong tonic and lasting cure. I can cheerfully recommend it."—J. B. CROWLEY.
