2. The Conference again requests that the Ministers in their several Circuits visit the Schools as often as possible, and hold such services in the interests of the same as they may deem expedient and practicable.

EDUCATIONAL SOCIETY.

QUESTION XIX.

What are the Resolutions of Conference with regard to the Conference Educational Society?

ANSWER.

1. The Conference would call the special attention of the friends of our Church to the increasing importance of the cause of Christian Education.
2. The rapidity with which stirring events transpire among the nations of the world, and the persistent and insidious efforts of the enemies of the cross to subvert the principles of Christianity, render the subject of Education one that must commend itself to every enlightened mind and philanthropic heart.
