Towards the close of the year an important change was made in the management of the poor fund, which hereafter will be used in relieving only the poor of our own congregation. As a result, much of the work done by the Society in the past will in future be left to individual effort. What remains may be undertaken with advantage by various other organizations in connection with the Church. This being the case, many members were of opinion that they could best promote the objects for which the Society was founded either by personal work or by attaching themselves to these other organizations. Accordingly, at the adjourned annual meeting of the Society, held Jan. 8th, 1896, a motion to disband was put and carried and the moneys on hand, \$135.05, were placed at the disposal of the Managers.

MRS. A. R. BEERS, *President*.
