

Children Cry for Fletcher's CASTORIA

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA
Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

CANE MOLA
Not a prepared stock feed, but a selected, pure sugar-cane molasses. Very reasonable cost. Superior to corn. Endorsed by Government Experiment Stations. Successful dairymen and farmers are continually re-ordering in ever-increasing quantities. They realize how good and economical Cane Mola is.
Use Cane Mola with old hay, straw, shredded corn stover, fodder, ensilage, screenings, etc. Also with grains in the feed box. Dry unscented feeds become palatable and digestible, because of the sugar and natural salts. Your animals will be in prime condition always. Roughage is eaten up to the last atom. No waste. Cane Mola is the best conditioner you could possibly have. Use it for cows, hogs, horses, sheep, etc.
Feeding Costs Reduced to a Minimum
You save the cost of expensive prepared feeds, thus practicing real conservation. You will experience a rapid, healthy growth of stock. Cows yield 15% to 25% more milk.
Car load of "Cane Mola" is now on route.

OWES HER LIFE TO "FRUIT-A-TIVES"

The Wonderful Medicine, Made From Fruit Juices and Valuable Tonics.

MADAME ROSINA FOISIZ
29 St. Rose St., Montreal.
"I am writing you to tell you that I owe my life to 'Fruit-a-tives'. This medicine relieved me when I had given up hope of ever being well. I was a terrible sufferer from Dyspepsia—had suffered for years; and nothing I took did me any good. I read about 'Fruit-a-tives' and tried them. After taking a few boxes, I am now entirely well. You have my permission to publish this letter, as I hope it will persuade other sufferers from Dyspepsia to take 'Fruit-a-tives' and get well."
MADAME ROSINA FOISIZ.
"Fruit-a-tives" is the only medicine in the world made from fruit.
50c. a box, 6 for \$2.50. trial size 25c.
At all dealers or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

VILLAGE OF GLENCOE

BY-LAW NO. 257
To take the vote of the ratepayers of the village of Glencoe entitled to vote on money by-laws, on a question to be submitted whether the said ratepayers are in favor of a supply of electric power from the Hydro-Electric Power Commission of Ontario.

WHEREAS the municipal council of the corporation of Glencoe deems it advisable to submit to the ratepayers of the village of Glencoe entitled to vote on money by-laws a question as to whether the said ratepayers are in favor of a supply of electric power from the Hydro-Electric Power Commission of Ontario.

1. THAT the following question be submitted to the ratepayers of the municipal corporation of the village of Glencoe entitled to vote on money by-laws:

Are you in favor of obtaining from the Hydro-Electric Power Commission of Ontario a supply of electric power?

2. THAT the votes of the said ratepayers shall be taken on this question at the following times and places and by the Deputy Returning Officers and Poll Clerks hereinafter mentioned, that is to say: On the fourteenth day of October, A. D. 1919, between the hours of nine o'clock in the forenoon and five o'clock in the afternoon, at the following places: For Polling Division Number One—at the town hall, by Charles George, Deputy Returning Officer, and Arnold Aldred, Poll Clerk; for Polling Division Number Two—in the building known as the Simpson House, by P. J. Morrison, Deputy Returning Officer, and Harry Moss, Poll Clerk.

3. A true copy of this by-law shall be published in the Glencoe Transcript on the following dates, namely: the 18th day of September, 1919, and the 2nd day of October, 1919, and copies of this by-law shall be posted in the following places, namely: The town hall and the post office in polling subdivision No. one, and at the building known as the Simpson House and the electric power station in polling subdivision No. two.

4. On the tenth day of October, A. D. 1919, at the council chamber in the town hall in the village of Glencoe at ten o'clock in the forenoon, the reeve of the said village of Glencoe will in writing signed by him appoint two persons to attend at the final summing up of the votes by the clerk of this corporation and one person to attend each polling place on behalf of the persons interested in and desirous of the answering of the said question in the affirmative, and a like number on behalf of the persons interested in and desirous of the answering of the said question in the negative respectively.

5. The fifteenth day of October, A. D. 1919, at the said council chamber, in the village of Glencoe at ten o'clock in the forenoon is hereby appointed for the summing up by the clerk of this corporation of the number of votes given in the affirmative and in the negative respectively.
MADE, PASSED AND ENACTED this fifteenth day of September, A. D. 1919.
A. J. WRIGHT, CHAS. GEORGE, Reeve, Clerk.

Notice
TAKE NOTICE that the above is a true copy of the by-law passed by the municipal council of the village of Glencoe on the fifteenth day of September, A. D. 1919.

AND FURTHER TAKE NOTICE that at the hour, day and places thereof in fixed for taking the votes of the electors the poll will be held.

First publication the eighteenth day of September, A. D. 1919.
CHAS. GEORGE, Village Clerk, Council chamber, fifteenth day of September, A. D. 1919.

CANADA'S LARGEST ENGINEERING PROJECT

Hydro-Electric Power Commission Carrying on
Wonderful Power Development Work
at Niagara Falls—A Second
Panama Canal

Operating the largest shovels in the world, and reversing the flow of a river, the Hydro-Electric Power Commission of Ontario is carrying on an enormous engineering project at Niagara Falls, practically without the use of steam.

There are many startling phases to the work which is the largest engineering feat attempted in the Dominion of Canada, and the biggest engineering job at present being carried on in the North American continent.

In order to get water to the new power house which will be erected just above Queenston, the Commission will use four and a quarter miles of the Welland River, men present a striking picture. The weary householder painfully feeding the furnace, shoveling by shovel, from the ton or two of coal, his winter's supply, will marvel at the enormity of the electric shovels which pick up from eight to ten tons of material, lift it 70 feet into the air and deposit it into waiting cars, all within the short space of 40 seconds.

Trains, loaded by electric locomotives, convey the mud and clay to the dump at St. David's. The boulders and rock from the canal are borne away to the stone crusher on the cliff above Queenston, and converted into material for roadways, railroad roadbed and riprap which will line the shores of the canal.

The stone crusher, which has a capacity of 4,000 cubic yards, is well worth a visit. The rocks from the excavations are cast into a trough opening into gigantic steel jaws which grind and munch, breaking the largest pieces into smaller bits that are carried away on a belt conveyor. A series of crushers reduce the rocks to a form where they may be utilized for building purposes and stored for future use.

Fifty-five miles of railway, all electrified, and trapping five trunk lines, are required in the construction work on the development. On this railway the commission has in operation more electric locomotives and less than any railway system in Canada. At present 2,000 men are employed on the big job. These men are housed and fed by the commission. A surgeon, an ambulance and a hospital maintained by the commission are at the disposal of the employees in case of accident. The adoption of the newest safety devices has minimized the danger of accident on the development, and the commission has devoted a great deal of time to safety first, propaganda in order to safeguard the men in its employ. About 2,500 acres, or 50 per cent, of the lands acquired by the commission for its right of way, have been converted into farms, and the produce from the farms is sold to the employees of the commission. The commission maintains its own telephone system on the development, and it has connections throughout the province. Garages, machine shops and office buildings line the right of way.

By establishing its power house at Queenston the Hydro-Electric Power Commission is enabled to take advantage of the full drop of both Niagara Falls and the Gorge, a total drop of 205 feet, affording 100 per cent, more electric power from the same amount of water. The largest electric units in the world, 55,000 horsepower generators, will be installed in the power house, to produce electrical energy for distribution throughout the Province of Ontario.

This great work is a striking example of the big vision and initiative of Sir Adam Beck, under whose direction the commission carries on its functions. This work is one which gives the people of Ontario just cause for pride in achievement.

THE RIGHT TO ADVERTISE

When is a newspaper justified in refusing advertising offered for its columns? This question crops up as a result of a statement made by The Bowmanville Canadian Statesman that it has refused the advertising offered by the Citizens' Liberty League in connection with the referendum campaign. Granting that there are certain classes of advertising that no reputable paper will publish, and that certain classes of publications are barred by their inherent natures from publishing advertisements that are inconsistent with their policies, is a general newspaper justified in refusing to permit a large section of the people whom it professes to serve to give publicity to their views on matters of public policy? We believe it is not so justified, no matter what the personal views of the publisher may be on the question at issue.

In this case the matter at issue is one involving Government action, and a law to which all will be subject is to be based on the decision of the people as expressed at the polls. In such a case, more even than in any other, it would seem that each side has a legal and moral right to insist on an even chance to present its case.—Ridge-town Dominion.

stable that such debentures shall be issued at one time and that the principal of the same shall be made payable in annual instalments during the period of twenty years, such instalments to be of such amounts that the aggregate amount payable in each year for principal and interest shall be as nearly as possible equal to amount payable in each of the other nineteen years of said period or in \$1,506.23.

AND WHEREAS the amount of the whole rateable property of the corporation, according to the last revised assessment roll, is \$352,802.00, and the amount of the existing debenture debt of the corporation, exclusive of local improvement debts secured by special rates or assessments, is \$11,342.19, and no part of either the principal or interest thereof is in arrears.

Therefore the municipal council of the corporation of the village of Glencoe enacts as follows:
1. That it shall be lawful for the purposes of remodeling the existing municipal electric lighting plant and constructing of an electrical distribution plant for the said village of Glencoe, pursuant to the estimate furnished by the Hydro-Electric Power Commission, that debentures of the corporation to the amount of \$18,000.00, in sums of not less than \$100.00 each, shall be issued as required within two years after the date on which this by-law is confirmed by the vote of the duly qualified electors of the village of Glencoe, and each of said debentures shall be dated on the day of the issue thereof, and shall be payable within twenty years at the office of the town treasurer of the corporation as hereinafter provided and as to both principal and interest may be made payable in Canadian currency or in Sterling money of Great Britain and shall have coupons attached for the payment of interest; each debenture shall be signed by the mayor of the corporation or by some other person authorized by-law to sign the same and by the treasurer of the corporation and the clerk, who shall attach thereto the corporate seal of the corporation.

2. Said debentures shall bear interest at the rate of five and one-half per centum per annum, payable yearly, and in such amounts that the aggregate sum payable for principal and interest in any year, in respect of the debt, shall be equal as nearly as possible to what is payable for principal and interest in each of the other nineteen years of said period.

3. There shall be raised and levied in each year for twenty years by special rate on all of the rateable property in said municipality the sum of \$1,506.23, being a sum sufficient to discharge the several instalments of principal and interest accruing due on the said debt as the same become respectively payable according to the following schedule:

Year.	Principal.	Interest.	Annual Payment.
1	\$ 516.23	\$ 990.00	\$ 1506.23
2	514.62	961.61	1506.23
3	513.01	933.22	1506.23
4	511.40	904.83	1506.23
5	509.79	876.44	1506.23
6	508.18	848.05	1506.23
7	506.57	819.66	1506.23
8	504.96	791.27	1506.23
9	503.35	762.88	1506.23
10	501.74	734.49	1506.23
11	500.13	706.10	1506.23
12	498.52	677.71	1506.23
13	496.91	649.32	1506.23
14	495.30	620.93	1506.23
15	493.69	592.54	1506.23
16	492.08	564.15	1506.23
17	490.47	535.76	1506.23
18	488.86	507.37	1506.23
19	487.25	478.98	1506.23
20	485.64	450.59	1506.23

\$18,000.00 \$12,124.56 \$30,124.56
4. This by-law shall take effect and come into operation from and after the final passing thereof.

This by-law was read a first, second and third time 15th day of September, 1919.
A. J. WRIGHT, CHAS. GEORGE, Reeve, Clerk.

Notice
Take notice that the foregoing is a true copy of a by-law which has been taken into consideration, and which will be finally passed by the council of the municipality (in the event of the assent of the electors being obtained thereto) after one month from the first publication in the Glencoe Transcript, the date of which first publication being Thursday, the 18th day of September, 1919.

Further take notice that tenants who desire to vote must deliver to the clerk, not later than the tenth day before the date appointed for taking the vote, the declaration provided for by section 265, subsection 3, of the Municipal Act, R. S. O. 1914, Chapter 192, in the building known as the Simpson House in the village of Glencoe; P. J. Morrison, Deputy Returning Officer.

Further take notice that on the 10th day of October, 1919, at the town hall, Glencoe, at ten o'clock in the forenoon the reeve will attend to appoint in writing signed by himself, two persons to attend at the final summing up of the votes by the clerk of the said corporation, and one person to attend at each of the said polling places on behalf of the persons interested in and desirous of promoting the passing of said by-law, and a like number on behalf of the persons interested and desirous of opposing the passing of said by-law.

And further take notice that the 15th day of October, 1919, at the said town hall at ten o'clock in the forenoon is hereby appointed for the summing up by the clerk of the number of votes given for and against said by-law.
Dated at the village of Glencoe this 15th day of September, A. D. 1919.
CHAS. GEORGE, Town Clerk.
