

They Look, Feel and Wear Well

We have devoted our lives to foot fitting facts---to the science of building shoes to suit the foot---to the art of constructing the most attractive shoe possible---but always keeping in mind the comfort of the wearer.

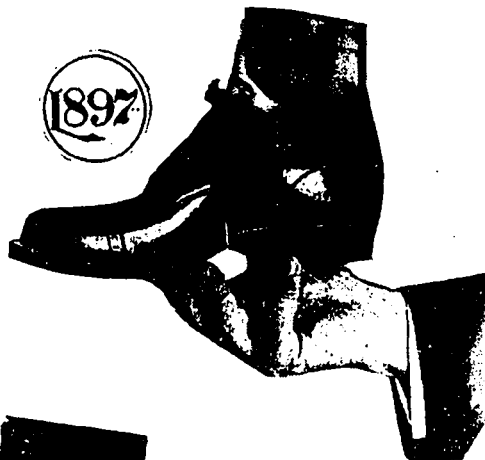

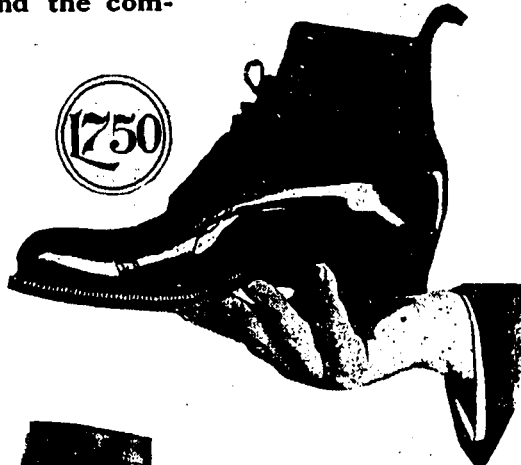

The Leckie "SEAL OF QUALITY" means the best of material---carefully selected---the most expert workmanship to be had, and a guaranteed fit; in other words, perfect satisfaction or your money back.

ALWAYS FOR SALE WHERE GOOD SHOES ARE SOLD.
