

9. Upon the recommendation of the medical Gentlemen, this Court do hereby authorize François Xavier Tessier, a Licentiate in the Medicine and Surgery, to reside and be boarded according to the system to be adopted in that behalf, and there to give his regular attendance as Apothecary, to act under the direction of the Medical and Surgical practitioners attending the establishment; and for the services of the said François Xavier Tessier in the capacity aforesaid, there is allowed him out of the funds at the disposal of the Justices of the Peace for the purposes of the Act, a sum of fifty pounds currency.

10. That when an Emigrant shall produce a Certificate of Indigence from a Minister of his persuasion, or the Master of the Vessel in which he may have arrived, and of sickness from the Physician or Surgeon of the week, such person may be admitted into the said Establishment by order of a Magistrate.

11. That the said Establishment shall be visited twice a week by two Magistrates in turn, and that it shall be their duty to visit and inspect the House and the Accounts of the expenditure of the said Establishment and see that all is right.

12. On the admission of every Patient the Steward shall take charge of his necessaries, and be responsible for them. The pack or truck is to be ticketed, and the Patient shall not on any occasion have access to it without the knowledge and permission of the Steward.

13. The Steward shall superintend the cleaning of the wards early every morning, and as frequently during the day as circumstances may render necessary, tak-
