McMillan's Corner, Ont., Sept. 30th, 1910.
"Your remedy, 'Fruit-a-tives' is a perfect panacea for Rheumatism. For years, I suffered distressing pain from Sciatic Rheumatism, being laid up several times a year, and not being able to work at anything. I went to different doctors who told me there was no use doing anything, it would pass away. Fortunately, about two years ago, I got 'Fruit-a-tives' and they cured me. 'Since then, I take them occasionally and keep free from pain. I am satisfied that 'Fruit-a-tives' cured me of Rheumatism and they will cure anyone who takes them". JOHN B. McDONALD.

"Fruit-a-tives" is the greatest cure for Rheumatism, Sciatica and Lumbago in the world.
"Fruit-a-tives" cures, because like fruit juice it purifies the blood—regulates kidneys, bowels and skin—and thus keeps the whole system free of uric acid. Take "Fruit-a-tives" and you will find instant relief and a prompt cure.

ers. I am a young Scotchman, 23 years of age, 5ft. 10in. in height, have brown eyes, dark hair, kind of broad in build, and weigh about 160 lbs. I came to this country five years ago, and have worked in Manitoba all the time until two or three months ago, when I found my way into Saskatchewan. I must say I am very glad to be one of the many bachelor homesteaders out in the far West, while it is a very lonely life in many respects, we may find most agreeable company in good reading, of which I am very fond. The prospects for us young men in the West

are good, and by careful management can soon have home ready for one of the bright cheery girls who would be willing to share the tempest and sunshine of life on the prairie. I am very fond of music, an old choir boy at home, and play the mandoline very well. My mother thinks I am fairly good to look at, and hope somebody else may think the same. Now, girls, here's your chance if any one cares to write to me, my address is with the editor.

Hoping to see this first letter of mine in next month's issue, wishing the W.H.M. a successful future, I will sign myself,
