

SU **SPORTS:** CHSR-FM covers all sporting events on campus, New Brunswick, and around the world. Read casts, write stories, do interviews, play-by-play, and colour commentary.

MUSIC LIBRARY: CHSR-FM has over 25,000 albums, cassettes and CD's. All of this material must be catalogued, cleaned, and maintained. We need special orders done to keep our library totally up to date.

ON-AIR PROGRAMMER: In other words - DJ. CHSR-FM has the widest variety of music in New Brunswick. You may be trained to be the host of your own music programme playing your type of music every, no Top 40.

PUBLIC AFFAIRS: Stimulates the listeners mind with important information on the day's events, and onto the radios of Fredericton. Believe it or not, some people still don't know who we are. We have to let them know what they're missing. Posters, contests, take sales, movies and programme guides are essential to us.

PROMOTION/PR: We are always trying to move CHSR-FM out of the shadows and into the spotlight. Bring our listeners the news on campus and around the world. Reporting, announcing and writing happens every day.

TECHNICAL: CHSR-FM has a fully equipped news operation which needs you. THE LUNCHBOX. Every day between 12-1PM we always needs repair and maintenance. A great job for engineers.

NEWS: CHSR-FM has a fully equipped news operation which needs you. Bring our listeners the news on campus and around the world. Reporting, announcing and writing happens every day.

FEATURES: Become a producer of our noon-hour programme. **THE LUNCHBOX.** Every day between 12-1PM we feature music, drama, interviews and news. Do a spot on your favourite band, interview interesting people here in town or around the world via our phone look-up.

PRODUCTION: You thought your stereo was fun - wait until you see what our production studio can do. We can train you how to operate a real professional studio. Produce public affairs programmes, radio art, commercials, bands, anything.

ARTS DRAMA POETRY: CHSR-FM has an arts programme that needs contributors. Review plays, books, artists. If you have a knack for poetry, music, drama, writing you can start your own programme.
