The Secretary,
Department of Indian Affairs,
O t t a w a , Ont.

S i r :-

I have the honour to send you herewith one tracing of plan and profile showing a portion of the Crow's Nest Branch grade revision between McLeod and Frank as the same is located through Indian Reserve No. 147.

I beg to request that the right of way as shown on this plan be reserved in favour of this Company until a final plan signed by a Land Surveyor can be filed.

Inasmuch as the location as shown on this plan may be changed we do not desire to have a Patent issued at present but only that the right of way be reserved.

I shall be glad to hear from you that this request for reservation has been duly noted in the books of the Department.

Your obedient servant,

E. M. Beatty
General Solicitor.
