MAKING A GARDEN

Man ploughs and plants and digs and weeds
He works with hoe and spade
God sends the sun and rain and air
And thus a garden's made.
He must be proud who tills the soil
And turns the heavy sod,
How wonderful a thing to be
In partnership with God.

HAVE FAITH

Canst thou take the barren soil
And with all thy pains and toil,
Make lilies blow?
Thou canst not! O helpless man
Have faith in God. He can!

Canst thou paint the clouds at eve,
And all the sunset colors weave
Into the sky?
Thou canst not! O powerless man
Have faith in God. He can!

Canst thou still thy troubled heart,
And make all cares and doubt depart
From out thy soul?
Thou canst not! O faithless man,
Have faith in God. He can!

Office of Manly Forest Miner Feb. 3. 1934.

My dear Mr. Meighen

Thanks so much for your kind note. The letter I wrote you was written before the 1934 Estimates were tabulated in the House. Thus we didn't know what grant would be included. I quite understand that after estimates are presented to the House that it would be hard to have them increased.

However here is the point I raised in my personal letter to you — In the Estimates for 1933 it contained an item of \$2500⁰⁰ for father passed the House without a voice of objection but we were only paid \$2250⁰⁰. Why in 1933 when estimates contained an item of \$2500⁰⁰ were we not paid that amount?
