DEFENDING OFFR; It isn't shown that the accused is present sir?

PRESIDENT: I am of the opinion that in the case of an order given by a superior to an inferior it is NOT a matter of hearsay evidence - it is in relation to what the witness himself did - it merely refers to his conversation. He could not relate to us what his driver replied, but just what he stated.

- A. 17 My instrs to the driver Cochrane were to take Capt Fuller and another offr to Winchester, to leave them there and to return, and definitely NOT to go anywhere else.  
 Q. 18 Do you know who that other offr was?  
 A. 18 Capt RE Lockhart.  
 Q. 19 What, if anything, did the accused ask you for?  
 A. 19 The accused I take it was going home for Xmas.  
 Q. 20 Why did you take that?  
 A. 20 Because he said he was going away for Xmas, that Capt Lockhart was going to Winchester for Xmas and that he himself was going to Winchester and then would take the train to Brighton. I knew the accused lived in Brighton.  
 Q. 21 Then there was no other destination either asked for or ordered by you other than to Winchester?  
 A. 21 Winchester was the only destination asked for and the only destination named.  
 Q. 22 How far is Winchester from this HQ?  
 A. 22 By radius approx 24 miles.  
 Q. 23 Are you at all familiar with the RO ref recreational transport?  
 A. 23 I am sir.  
 Q. 24 I show to you for identification RO 398 of CRU and ROs 625-630, CRU, and ask you to identify them?  
 A. 24 I identify this order as Rules governing use of Transport, recreational or otherwise over a 20 mile radius.  
 Q. 25 I ask you to identify ROs 625-630, CRU?
