

Boards of Trade Register

When Writing to a Local Reference, Mention Should be Made of Heaton's Annual

This Gazetteer is revised every year and includes certified official returns from local Boards of Trade and the municipal authorities of towns where no Board of Trade is established. Information is given generally as received. The Editors reserve the right to use information obtained from other reliable resources and to edit the returns made, but they cannot, for obvious reasons, from their own knowledge, vouch for the absolute accuracy of every detail in each case. As a general rule, entries in this Register are confined to towns over 400 population in the West. Exceptions are made in special cases. Where possible, a reliable local reference is given, who will supply further information upon request.

ABBREVIATIONS.—Tel., Telegraph; Ex., Express; m., miles; Pop., Population according to Returns of Census, 1911; Pop.*, estimate of Mayor or local Board of Trade. Alt., Altitude—ft. above the sea level. Altitudes are given as furnished by the Dominion Meteorological Office at Toronto.

POPULATION STATISTICS.—The rapid settlement of Western Canada makes it extremely difficult to give accurate population statistics. As a rule the last Dominion Census figures are given. If these are misleading, wherever possible the figures are taken from local estimates, based on Assessment Returns or a Special Civic Census.
