LEONICVS POEMENIVS DICOELO-LOGVS DE A. THEVETI COS-mographia ad Lectorem.

QVI radio calamoque nouum [illegible] orbem
 Nunquid in aeterno dignus honore venit?
Hic ope eximia THEVETVS praeditus arte
 Aggreſſus digno nomine quod ante fuit.
Quatuor hic mundi [illegible] ordine partes
 Vndique perraras accumulauit opes.
Quod fuit expertus, quod vidit & audiit ipſe
 Tradere proque ſuis non aliena cupit.
Ergo age Coſmographo meritas perſoluito grates:
 Tanta nec ingrata ſuſcipe dona manu.
Pergat et exactis depingere caetera chartis
 Tam longo variis parta labore locis.
Quo terras, tractuſque maris, caelumque profundum
 Perluſtres facili ſtanſque ſedenſque via.
