g heard with deep regret of
nis, Esq., of Christievillie, one
res to put on record its high

appreciation of his character as a devout Christian and an earnest sup-
porter of all good works, and especially of the work of French Evangel-
ization, in which his zeal was unwearied and his heart ever warm.

That this Committee would also extend its warmest sympathy to the sor-
rowing family of the deceased, praying that He who has afflicted will also
sustain and comfort them. And that this resolution be entered as a perman-
ent record in the minutes of this Committee, and a copy thereof be for-
warded by the Secretary to Mrs. McGinnis.

Your Committee would tender their sincere thanks to the
kind supporters of the work in England, Canada and the
United States, trusting that they may receive a full realiza-
tion of the promise, and that, in blessing others they shall
bless themselves.

Praying that God's Holy Spirit may give potency to our
efforts, and make us the means of enlightening many souls in
Christ's Truth, we commend this Report to your notice.
