INSURING THE MOTIVE POWER

The object of business insurance is to insure the "brains" of an organization. Knowledge, combined with administrative ability, is invaluable. Every business, large or small, depends primarily upon one or more experienced leaders. The death of any one of them would result in a heavy financial loss. There would be heavy going until the deceased official was replaced by someone of equal ability. The possession of a policy of insurance payable to the firm in the event of the death of such a leader is essential. Joint policies payable on the death of the first partner, or (preferably) separate policies on the lives of the individual partners in favor of the survivors are issued by **The Mutual Life of Canada**. It will be the object of the Company to adapt each business policy to the particular requirements of the insuring firm. Consult our representative. He will be glad to advise you regarding business insurance.
