Well Made.

Pure flour and pure yeast do not
necessarily mean good bread. It
may be spoiled in the making. Just
so: material is not everything.
Prof. W. Hodgson Ellis, Official
Analyst to the Dominion Govern-
ment, after a number of analyses, re-
ports that "Sunlight Soap is a pure
and well-made soap." "Well made"
means more than you think. Try
Sunlight Soap—Octagon Bar—next
wash day, and you will enjoy
the benefits of a "well-made"
soap, and will see that Prof. Ellis is
right. No one should know better
than he. 214

DR. BARNARDO'S HOMES.

The managers of these institutions invite applica-
tions from farmers and others for the boys and
youths who are being sent out periodically from
their English training-homes. The older boys remain
for a period of one year at the Farm Home at Rus-
sel, during which time they receive practical instruc-
tion in general farm work before being placed in situ-
ations. Boys from eleven to thirteen are placed from
the distributing homes in Winnipeg. Applications for
younger boys should be addressed to the Secretary,
115 Pacific Avenue, Winnipeg, or P.O. Box 206, and
for older boys, possessing experience in farm work,
to Manager, Dr. Barnardo's Farm Home, Barnardo,
Man.

THIS IS THE BEST FARMER'S PAPER IN WESTERN CANADA.
