ows that were sired by Colwill's Chade 1343, a hog bred and exhibited by the present owner, and used for seven year-Without wishing to boast, Mr. Colwil adds that he believes this boar wo winners, than any hog ever bred in Can ada. These sows are sired by his im ported hog, and bred to a son of Mr. Hallman's imported hog. The young stock are choice

MEADOWVALE SHORTHORNS

A representative of "The Farmer's Advocate" had the pleasure a few days ago of a visit to Meadowvale Stock Farm. the property of that old and well-known firm of Shorthorn breeders, S. J. Pearson & Son, Meadowvale, Ont. For a great many years, this great farm, certainly one of the very best grain and pasture farms in the Province, has been the home of a large and well-selected call to mind a time when the quality of the herd was so high, nor the breeding so cilt-dged, as at present. More par young things, the get of their massive mond 2nd, a son of Imp. Royal Islamond, and out of the Mma-bred cow Imp. Mina of Kinellar, by Lucky Archer away up among the best bulls in Can ada, his get beine exceedingly uniform is a son of his, Royal Luxury, a red three-year-old, out of the Miss Ramsden ereat sire. Luxury, so successfully used in the Royal herd. This is an immensely most mellow handler. A full brother of Pight Less held header for someone He is Royal Windsor 76373, a

For sale by all dealers Manufactured only by The T. Milburn Co., Limited, Toronto Ont.

The great thing in big game rifles is sureness to work under all conditions. Marlin rifles are built with this idea foremost

The mechanism is simple, strong, perfectly adjusted, quick and easy in operation The Marin solid top and side ejector keep a proteing will of metal between your head and the cartridge, prevent powder and gases blowing back, throw the shells away from you and allow instant, accurate, effective repeat shots.

The Special Smokeless Sreel barrels are hard and strong, specially made for high power cartridges and to resist the wear of jacketed bullets. They are rifled deep on the Ballard system for greatest accuracy and killing power.

Made in Models 93 and al other Marlin re-peaters in our 136-page catalog. Free

This Cylinder Shows Why The "EUREKA" Root Cutter

is the best on the market. See how it is designed. Grooved knives, with the grooves on one blade opposite the teeth on the next Instead of slicing or pulping, the "Eureka" turns out roots in shreds - thin narrow strips -

suitable for any kind of feeding. The "Eureka" shreds from one to two bushels a minute, and turns 80 easily that a child can operate it.

In the "Eureka" the feed is kept free from dirt, the feeder bottom being made with mon rods, thus silowing all dire to drop out before if can reach the shredding cylinder.

The sloping form of the oxlinder makes the machine a self-cleaner. Write for existing the which existing the state of the he Esmoka Planter Ca.
