

The present indications point to a spotted wheat crop in Southern Manitoba on account of rust. We have had a great deal of experience handling shrunken grain. You may have the benefit of this experience by shipping your grain to us.

REFERENCES:
Canadian Bank of Commerce,
Commercial Agencies.

The upper half of Manitoba and the Territories have a fine big crop if not damaged by frost, and we would like to show you prices we can get for grade wheat. Let us prove these facts to you, as we are doing to your neighbors.
