To Make
Home
Pretty and
Attractive

Is the wish of every lady. Perhaps we
can help you a little by improving some un-
sightly arch, a nice piece over a bay window, a
screen for a stairway, a cozy corner, a hand-
some stationary or folding screen. The ex-
pense will not be much and would add greatly
to the appearance of the rooms. We make
these in Moorish fret work, Japanese fret work,
Boroll or Grille work, all combinations of the
different styles and makes, finished in any
kind of wood desired. For further particulars
