# Dairymen ! Farmers !

Are you getting as much for your Cream as you think you should receive? If not the **NATIONAL CREAMERY & PRODUCE CO., LTD.**

can give you satisfaction. We have the largest Creamery in western Canada, and, when dealing, why not do business with the largest and most up-to-date establishment. You should ship to us because : 1. You don't have to wait for settlement, as we pay you on the 1st and 15th of every month. 2. You get the highest price obtaining in the market. During 1905 we paid on an average of 22c. per lb. for butter fat and manufactured over 334,000 pounds of butter. 3. You are paid by Bank or Express Money Order. This method does not necessitate your waiting for the cash as you would have to do did we pay you by cheque. It also insures you from loss in any way. 4. You are sure of a square deal by our testing system. The number of pounds of butter manufactured during 1905 when compared with amount of cream paid for proved that our tests were absolutely correct. 5. We have the largest and most complete Creamery and Cold Storage System in the West and have two branch Creameries in Manitoba. The Farmer or Dairyman should keep a record of the number of cans shipped us, date of shipment, can number, and he should see that the cans are plainly addressed to **this** Creamery to assure prompt delivery. Write us for further information. Dept. A.
