IF YOU ARE GOING TO BUY A

British Columbia Fruit Farm

REMEMBER THAT COLUMBIA GARDENS

is the only irrigated tract of Fruit Land on the Market in British Columbia that is reached by railway.

That it is the only irrigated tract convenient to local markets.

That it is the only tract with a super-abundant water supply.

That it is the only proposition where no charge is made for the water.

AND DON'T FORGET THAT

it is being sold at prices about one-half of what is asked for land, elsewhere, possessing none of these advantages.

Sit on it You Can't Hurt it

The Hinge-Stay is what gives Dillon's Fence its superior durability and strength. Just study the picture. It tells a story. Other locks and stays slide, rust, break and bend, but the Dillon Hinge-Stays remain absolutely the same under the most rigid tests. The Dillon Fence never sags—is always tense and neat. It improves the appearance of your farm, and gives you no annoyance. Made of extra quality, highly-carbonated coiled steel wire, each strand having a tensile strength of from 1300 to 2300 pounds, according to the size of the wire. Write for free illustrated booklet and estimates. Still some territory for good agents.
