

SERVICE

The Technical Division of Canadian Explosives, Limited, is not merely organized to increase the sale of explosives. It is their function to assist and advise regarding the blasting operations of any concern having "explosive" difficulties, and if need be, stay on the job and direct the work till the trouble is removed:

The Technical Division is equipped to take care of the most difficult blasting problems. Every man is an expert, experienced in actual work.

Put your blasting difficulties up to us.
