The Canadian Land and Emigration COMPANY

Offers for sale at Cheap Rates, on condition of settlement,

FARM LOTS, IN DYSART, And adjoining Townships, in the County of Peterborough.

THE greater portion of the Company's block of nine Townships is excellent farming land. The Judges at the Provincial Exhibition at London, in 1865, awarded to the Company a Special Prize, and at Kingston, in 1867, a Diploma for the assortment of Farm Produce from their settlements. The country is well watered, healthy and picturesque. Dysart is a well settled Township, with mills, schools, &c., while stores, post-office, boarding-houses, &c., are established in the Village of Haliburton. There is also a rising settlement in the Township of Harcourt; and along the Peterson road the settler has a choice of good Farm Lots in no less than six Townships.

The communication to the Townships is good, a great part of it by Railroad and Steamboat.

The Bobcaygeon, Opeongo, Peterson, Mississippi, and Hastings Roads will all give access to the Company's block, but other roads are being opened up, giving a more direct communication with the County Town of Peterborough.

The Company has expended a considerable sum in the construction of Roads to and through its Townships, and has still a large appropriation for this purpose.

Dysart and adjoining Townships, the property of the Company, form one Municipality which cannot fail to make more rapid progress than any of the Municipalities in that section of the country, on account of the large sum levied every year from the Company.

For further information and particulars and conditions of sale, apply to the Secretary, CHARLES JAS. BLOMFIELD, Bank of Toronto Buildings, Toronto. Toronto, Jan. 21. 24-ly

with which is united the BRITANNIA LIFE ASSURANCE COMPANY

Capital and Invested Funds.....£750,000 Sterling.

ANNUAL INCOME, £220,000 STG.: Yearly increasing at the rate of £25,000 Sterling.

THE important and peculiar feature originally introduced by this Company, in applying the periodical Bonuses, so as to make Policies payable during life, without any higher rate of premiums being charged, has caused the success of the BRITON MEDICAL AND GENERAL to be almost unparalleled in the history of Life Assurance. Life Policies on the Profit Scale become payable during the lifetime of the Assured, thus rendering a Policy of Assurance a means of subsistence in old age, as well as a protection for a family, and a more valuable security to creditors in the event of early death; and effectually meeting the often urged objection, that persons do not themselves reap the benefit of their own prudence and forethought.

No extra charge made to members of Volunteer Corps for services within the British Provinces.
