Busy Trenton

THE latest news of the town and surrounding neighborhood is given in an interesting manner.

Trenton, Jan. 30.—Miss Bertha Polley and Mr. C. A. Maguire were married here yesterday morning by Rev. J. J. Connolly.

Mr. H. A. Thomson spent yesterday in Toronto.

Mr. W. S. A. Bleeker is a Toronto visitor to-day.

Messrs. R. G. Weddell and H. A. Cook are in Chicago attending the Motor show.

The skating and hockey rinks on the river are being well patronized and there is little evidence of roughness.

Rowdy conduct will not be tolerated by the committee appointed by the Council.

Our chief of police, R. G. Moffett, always has his eyes open for criminals wanted in other towns.

On Friday last, Joseph Bergeron, sentenced to Central Prison from Napanee made his escape from that institution.

A description of the man was sent to officers throughout Canada, and last evening about 8.20 the chief spotted his man. He took him back to the Central to-day.

Trenton will be fortunate if Chief Moffett is not picked up by some large place. He certainly is one of the best officers doing police duty in Canada.

Two more families have been added to the list of the Patriotic Fund.

Special services will be held in King Street Methodist Church on Sunday next. The large choir will be assisted by several outside soloists.

Miss Steer, of Ridgeway, is visiting her brother Mr. H. F. Steer, of the Wolson's Bank staff.

Miss Steer will sing in St. George's Church on Sunday morning and in the evening at King Street Methodist church.

Rev. R. F. Taylor, of Waddington, N.Y., paid us a flying visit one day last week.

"The Trenton Band" is the new title of our local musical organization. The L.O.O.F. have found it a source of too much trouble and worry to handle it any longer.

It is to be hoped that under new management it may show improvement.

Mrs. Garret Pettinelli, an old resident of Trenton, died at her residence here on the 23rd inst.

Rev. W. P. Rogers, pastor of King Street Methodist Church, has accepted a call to Wesley Church, Port Perry.

The Trenton Courier, noted for its accuracy, states that the C. P. R. Bethany-Trenton cut-off, will be started in the early spring. Just another railway line.

Trenton, Jan. 29.—It is reported in one of to-day's daily papers that young Austrians who refuse to enlist in the army are to be shot.

Matters have not reached such a pass here, though all reports agree that our young men are hanging back, particularly in the rural districts.

The British Empire, with all its offers, should not be compelled to force compulsory service upon this Dominion, but if the hall last evening was a great success.

present indifference continues the militia authorities will be compelled to take some such action. As we have before remarked, we had expected this district to respond eagerly to the call for volunteers, on account of it being the home of so many U. E. Loyalists.

In our young days we were taught to look upon the Loyalists as the salt of the earth. Since this war commenced the response from them has not been what we have had reason to expect.

The land grants handed out to the Loyalists were the choicest in the gift of the country, and no doubt were worth the sacrifices made. Perhaps with the mobilization of the Third Contingent, at Belleville, some of the old time patriots may crop out in the descendants of the old Loyalists.

We would suggest that Major Bywater should arrange for a route march through Trenton so that the several hundred young men of Trenton, who are now enlisting, might see how fine the men in khaki look. What will our Trenton boys answer when their children grow up and say "Father, why weren't you a soldier too?"

It is not advisable to take it for granted that the predictions of a short war will be realized. All of us remember how many people were positive that the war would not last one month. That the Germans would be starved out in no time, etc. Notwithstanding all of this sort of talk the war still goes on and only the Almighty has any idea of when it is likely to stop.

We believe that it may be necessary before peace is declared to mobilize a 4th and possibly a 5th Contingent, and every man should be prepared to take his place in the ranks when the call comes. We further think that if men will not serve as volunteers they should be taxed heavily in order to assist the Government in financing the war. The men who shirk their duty in this crisis of the Empire's history will never be forgotten in their respective districts.

If it is the country's best who are in their places in the army, and have reason to be thankful that they are in such good company. The time has now arrived when heart and dear relatives should realize that it is their duty to withdraw all objection, to the males of their families volunteering for active service.

A Patriotic dance, proceeds to be devoted toward the aid of the Belgians, is to be given by the ladies of the Trenton on the evening of Tuesday, Feb. 2nd, in the armories. If arrangements can be made a special train will be run from the C.N.R. depot.

On Wednesday evening, Feb. 3rd, under the auspices of the Catholic Ladies' Benevolent Association, there will be given in the Parish hall an "At Home" commencing at 8 o'clock. Progressive euchre, games and dancing will be indulged in. Proceeds will be devoted to local relief.

Jack Thomson writes that his corps will leave on Feb. 7th, from Halifax. The concert given by the members of the Rebekah Degree in the I.O.O.F. hall last evening was a great success.

The ladies proved themselves (as usually) excellent actresses. The singing of Miss Steer, of Ridgeway, was much enjoyed.

It has been intimated to us that Mrs. Potts, Librarian of the Stirling Public Library, acting upon instructions from the Department of Education, came to town yesterday and denounced the 1300 volumes. Sure, what else could be expected?
