Say Greybirds Need Harmony

Says the Lindsay Post:

Coombs has been selected as Manager of the Greybirds and Jack Stark as captain. The choice could not be improved on. They are respectively the best first and third baseman in the Central League, barring none.

All that is needed to make the Greybirds a real classy, winning team is harmony. It is the intention to let the boys compete for the positions this year, and also for the besting end of the game. No player should feel sore if asked to give way to some other player; and it does

not mean that the first mentioned player will be dropped. They will be given a fair chance to make good, and they are expected to work hard for a place on the team. But by all means, let the players be fair, and let there be harmony. Let us all work for the best team possible.

Oshawa has three pitchers this year, and one of them a side-wheeler. They will need them all. Walter Fair has been elected Captain of the Oshawa nine. Reg. Fair, one of the best old centre fielders, has moved to Port Hope and will play against Lindsay on May 24th.

Belleville came 4th in class "C"

beating out Peterboro. Other local lads in the contest were: 80-pound class, Harvey Ross, (21st); 95-pound class, George Faulkner (24th); 110-pound class, Cecil Facer (12th) and 125-pound class, Bert Ives, (20th).

A GLIMPSE AT THE WORLD OF SPORT

B.H.S. DEFEAT ALBERT '3-1'

Belleville High School nine defeated Albert College 3-1 last evening on the College diamond.

As one would naturally infer from the score, the game was "fast and furious." The all-star aggregation of athletes lined up at 4.45 last evening and the game was on.

All went well until the first of the fourth when with two men on bases, Maidens, the star High School first baseman, sacrificed and brought Jeffries, the High School twirler in. Then Lloyd came to bat and brought Hart in. Thus the score stood two-0 for a few minutes.

In the sixth Albert College got a hit or two and finally scored a run. Thus the game stood until Weir stole home with the third run for the H. S., ending the scoring.

The Albert College boys showed good form and played their respective positions in a very able manner

but much credit is due their battery, Guest and Braden.

The High School team had that old "warrior" Weir on short, the reliable all-round player. But to beat Hagerman behind the bat one would have to comb the major leagues. When he came to bat many pet phrases were thrown at him (as well as a few bean balls and a couple of floaters) such as "Home-Run Hagerman," "Knock-Em-Dead" and "Kill the Phil," but he's an old timer at baseball.

In a few weeks' time these teams will play another game.

The line up:
High School—Maidens, 1st b; Al-
len, 3rd b; Hagerman, c; Weir, s; s;
Armstrong, 2nd b; Cole, r f; Jeff-
rey, p; Hart, c f; Lloyd, 1 f.

Albert—Atkins, 1st b; Guthrie,
2nd b; Marrett, s; Lazer, 3rd b;
Guest, p; Braden, c; Simpson, r f;
Ortes, c f; Cane, 1 f.

In the meanwhile the alarm was given in the village by phone, and the Methodist Church bells were rung, as a fire alarm, with the result that the men of the village turned out quickly to render what aid they might, and there were soon dozens of cars rushing to the scene of the fire, and the two village chemical fire engines were taken out, but as the owner had got the flames subdued there was no need to use the village engines. Some damage was done within the house, but, as there was a strong breeze at the time, it might have been worse, in a few minutes, but for the prompt action of Norman Morden.
