FOREST PILLS, 25

A Grassparille proparation of unexampled eff-caces.) These Pills are propared from the best Sarsaparilla, combined with other Vegetable properties of the highest Medicinal virtue. They are warranted not to contain any Mescury or Mineral whatever. They purge with at griping, nausisting, or weakening; cash be taken at any time without hindereace from basiness, chinge of dist or denger of taking cold. They mether have the taste or smell of medicine, and are five time more effectual in the cure of disense than any Pills in use. 180 15 5 12 2

But a short time ins alapsed since these great and good file wars instands known to the Public, yet thousands have already a zperienced their good effects. Invahilagiven over by their Physicians as incurable, have found relief, and been restored to sound and vigorous her th from their use. 10000 Cha

Vigordus has th from their use. TO F A T H E B S O F F A H I L I E S. Blig and foul state of the stometh occusions more sickness and desitis in familias than all other causes of disease pay together. Sometimes whole families are taken down by malignant Feveres, Fever and Ague, and other dangerous dis-refers, all proceeding from a blibus and foul attus of the stometh. No parvot can be so ignorant as no, to know the great danger stat-ing from billousness—no parent would be guilty of causing the 500 Wh
