BOYS' NIGHT WAS OBSERVED

Popular Service Held Last Evening at First Baptist Church.

"Boys' Night" was observed last evening at First Baptist church, proved to be a most inspiring service. The attendance was large as the audience filled the church. More than 125 Boy Scouts were in line and made a splendid showing in their kark uniforms. Upon the platform seated by the pastor were: Will Pierce, secretary of the Boys' Department of the Woodstock Y.M.C.A.; Mr. John F. Schultz, teacher of the A. F. class; Mr. Fred Chalcraft, superintendent of the Sunday School, and Chief Scout Master Macfarlan. The service opened with a bright season of songs, "The Lord Will Provide" and "Dare to be a Daniel" were sung with great zest by the large congregation. Miss Edna Phipps sang very sweetly the verses of "Angry Words O Let Them Never," while the choir and the congregation took up the refrain "Love one another." The Scripture lesson, was read by Mr. Schultz, after which Mr. Chalcraft led in prayer. The first address of the evening was by Mr. H. H. Hamilton, Boys' secretary of the local Y. He emphasized the importance of the Adolescent period and urged upon the parents their duty of winning their boys to Christ and the church during this period when the most of them are most susceptible to both good and to bad influences alike.

Chief Scout Master Macfarlan followed with a splendid message on "The Spiritual Aspect of the Boy Scout Movement." He stated first of all that many did not look upon the movement as a spiritual one at all and hence were suspicious and critical of it, but those who listened to this informing address last evening went away convinced that the Boy Scout Movement was indeed a spiritual movement for its aim was the production of Christian gentlemen with the emphasis upon the word "Christian."

Mr. Will Pierce of Woodstock followed with a live message on "Boy Wanted." He stated that he wanted the kind of a boy that was wanted in a way that many could not soon forget. Life held out great possibilities for them if they would only make good. No boy could make a true success of life who was not openly committed to the Christian life. The First church is very proud of Mr. Pierce and his splendid record and believe for even better things of him in the days that are to be.

The pastor followed with a few closing remarks emphasizing the supreme importance of the boy period and the supreme worth of the boy. Miss Hutchinson sang sweetly "When I Survey the Cross." The choir sang in splendid unison, "Rock of Ages. Dr. Russell's solo "Wandering boy come home," proved a fitting conclusion to the service. The pastor shook hands with every scout present as they passed out. Mr. D. Williamson's son, had the honor of being the youngest scout in line.

THE TEMPERATURE

People who have an idea that the temperature for this time of the year is beating all former records, are quite right in that conjecture. Here is the official record at Mohawk Institute:

	1913	1912
	High/Low	High/Low
May 1	78 48	65 44
May 2	83 52	70 49
May 3	85 52	65 43
May 4	83 53	63 49

During all of May of last year the highest point reached was 82.

On April 25th this year, the figure was 83, as compared with the highest figure of 75 during the whole of April 1912.

Laid at Rest

The Late James Jarvis.

All that was mortal of the late James Jarvis, whose death occurred so suddenly at his home, 121 Park avenue was laid to rest in Mount Hope cemetery Saturday afternoon. The services, which were largely attended, were conducted by the Rev. H. A. Wright. The floral tributes received were many and beautiful. The pallbearers were Dr. Lundy, Mr. John Spence, Mr. Joseph Broadbent, Mr. William Scace, Mr. P. H. Senn and Mr. E. C. Kilmer.

Y.M.C.A. Conference. There has been considerable enthusiasm at the local Y.M.C.A. over the coming conference which is to be held at Elgin House, Muskoka, June 20-30. There will be quite a large delegation from the local association. It is hoped the delegation will include Misses Lulu Hainer, Grace Struthers, Maud Agnew and Uellie Kitchen from the physical department.

With The Police

James Midgley and James Currie were out on a little spree Saturday evening their good time at the police court. This morning they appeared but were allowed to go in view of the fact it was their first appearance. Peter Hill got hold of some liquor Saturday contrary to the Indian Act. He was fined five dollars and costs. Miles Lacey was fined three dollars, the result of a Saturday spree.

Expensive Fish

County Constable Kerr met Fred Howie with a string of fish on the 1st of May. As he neared Howie he saw him throw one of the fish away. The constable went and picked it up and found it was a black bass. These fish are not in until the fifteenth of June.

Howie appeared in court this morning and argued, "The fish was not found on him, and he was not seen catching it." This logic did not suit his Worship, and he fined Howie \$5 and costs, or \$8.75 in all.

R. W. Simons bought a pair of horses from David McMillan on condition they were to be delivered at Fairfield Plains. McMillan started to Fairfield Plains with the team and then decided to return and get expense money from the plaintiff. Mr. Simons refused it and McMillan took the harness. Simons charged, McMillan with conversion or theft of the harness. The case was adjourned a week.

A case of non-support was charged against Geo. A. Fetch, but neither Fetch or his wife appeared, so the case had to be adjourned till they are looked up.
