## Senator Moves That All Postal Employees Speak Both French and English.

[By Special Wire to The Courier]  
OTTAWA, Ont., May 20.—On third reading in the Senate of a bill relating to wages of lower grades of post office employees, Senator Choquette moved in amendment that no person should be employed in the post office department, in either Ontario or Quebec, unless he or she spoke "both official languages," English and French.

Hon. Mr. Lougheed said that as it was a money bill, it could not be amended, and was supported in this by Senator Power.

Senator Belcourt disagreed and said that it was no more out of order to require employees to speak both languages than it would be to compel them to write a legible hand.

The third reading amendment and point of order were held over on Senator Choquette's suggestion. He announced that when opportunity arose he would move that employees of all departments in Quebec, Ontario and New Brunswick be required to converse in both languages.

## ROCKEFELLER, JR., COMES FROM COVER

He Had Been Driven Into Retreat by Colorado Strike Sympathizers.

NEW YORK, May 20.—John D. Rockefeller, Jr., has returned to work after twenty days spent at the country estate of his father at Pocantico Hills. Since May 1, when he went into retirement, most of his tormentors, under the leadership of Upton Sinclair, have been silenced, several by being sent to jail. Sinclair is in Colorado and Marie Canz and Rev. Bouck White are serving sentences on Blackwell's Island, the latter for having broken up the services at the Calvary Baptist Church ten days ago. "Mother" Jones alone remains in the lecture field, and nightly denounces the Rockefeller interests in the Colorado coal districts.

Mr. Rockefeller's secretary said yesterday that he was making no investigation of conditions in Colorado. He was only a minority stockholder in the Colorado Fuel and Iron Company, it was said, and whatever recommendations he could offer might not influence the officials of the company in dealing with the miners.

## BOYS KILLED IN DUEL AND WOMAN IS HURT

Members of Prominent Kentucky Families Battle on Highway.

LEXINGTON, Ky., May 21.—Word has reached here that Hubbard Miniard, age 17, son of the county attorney of Leslie county, and Jos Hensley, a youth of another prominent family, had killed each other in a pistol duel at Coon's creek, near Hyden.

According to the report, Miniard was escorting Miss Daisy Adams to a social affair when the couple met Hensley. Quarrel followed, both men drew pistols and the fighting ended with the death of both. One of the bullets hit Mrs. Adams, but the wound is not dangerous.

## THE HEART SONGS OF 90,000,000 PEOPLE

Many of these songs cannot be found in any other collection. They came in yellow, time-worn, tear-stained sheets—that had been sacredly treasured from childhood—others were written out from memory—some were given by titles only—or remembered verses, involving a long search to obtain the whole.

Of the thousands received it is safe to say that the several hundred selected—as having the largest number of votes and the highest endorsement—represent to-day the taste of the Canadian people in their choice of music.

We believe that the distribution of this unrivalled song collection will bring more happiness into the homes of our readers, will do more to make them attractive

to young and old; do more to inculcate a love for music; to soften, elevate and refine the home life; to cultivate the nobler and higher virtues of the fireside—than any other means we could adopt.
