GREEK GENERAL IS DISMISSED

His Post as Aide-de-Camp to
King Constantine Taken
from Him.

By Special Wire to the Courier.
Athens, August 7, via London.
Aug. 8.—General Panyotis Danglis,
former minister of war, chief of the
General Staff during the first Balkan
war, and credited with being one
of the inventors of the famous
French 3-inch guns, has been re-
moved from his post as Royal Aide
de Camp, by King Constantine.
Gen. Danglis was minister of war
in the Venizelos Cabinet of 1915,
which resigned on Oct. 5, of that
year. An Athens despatch on July
24 told of his election as president
of a league formed by adherents of
former premier Venizelos to counter-
act the effect of the formation of
anti-Venizelos leagues among the
remobilized Greek reservists.

CRIMEAN VETERAN HAS PASSED AWAY

Mr. Robert White of Paris,
Served the Empire in Eng-
land and in India.

FAREWELL TO
THE 215TH.

Stiff Sentence Handed Out
to Man Who Committed
Perjury.

(From Our Own Correspondent.)
Paris, Aug. 8.—The remains of the
late Mr. Robert White, who passed
away on Friday at the residence of
his son, James White, West River St.,
were taken to the G. T. R. depot
yesterday morning and interment
took place at the Mennonite ceme-
tery, Bright.

Born in Scotland
Mr. White was born at Glasgow,
Scotland, 35 years ago, and came out
to Canada with his parents when a
little boy, settling at Sebringville.
At the time of the Crimean War and
the Indian Mutiny, he joined the
100th Prince of Wales Royal Regi-
ment of Canada. He went over to
England, and was later sent to In-
dia, but when arriving there the
trouble was over. About 30 years ago
he came back to Canada and made
his home in Bright, until a year ago
when he and Mrs. White came to
Paris, and lived with their son,
James, where he passed away. Much
sympathy is extended to the bereav-
ed widow and family.

Many friends of Mr. Geo. Atkin
will regret to hear that he is living
seriously ill at the home of his
daughter, Mrs. E. Crombie, "Glas-
ton."
Laid at Rest
The funeral took place on Sunday
afternoon of Mrs. Mary Jane Taylor
of Canning. The deceased, who lived
with her daughter, Mrs. James Hut-
chinson, had been sick for the past
6 months and died at a happy
release. Her husband pre-deceased
her some 20 years ago. In their early
days they worked for Mr. Lemuel
Kitchen of South Dumfries, near
Paris, and were well known to many
in town. Eight children, all grown
up, are left to mourn her loss. The
remains were laid quietly to rest in
the Paris cemetery, the service being
conducted by the Rev. R. J. Seton-
Adams.

Good-bye to the 215th
Yesterday morning the boys of the
215th Batt. left for Niagara Camp.
Shortly after 5 o'clock the bugles
could be heard, and all Paris was
astir to bid good-bye for a while to
the boys in khaki. Short speeches
were given by the Mayor and others.
The usual \$10 was given each sol-
dier, and 2 pair of socks by the Wo-
men's Patriotic League. They then
paraded to the Grand Valley station,
under orders from Captain Pearce,
and took the 6.30 car for Brantford,
where they met the rest of the bat-
talion.

Customs Receipts
The customs receipts for the month
of July was \$8,708.54, while those for
last July were \$13,244.72, showing
a decrease of \$4,536.18.
Right Rev. T. J. Dowling, D.D.,
Bishop of the R. C. diocese of Ham-
ilton, who celebrated his fifty-second
anniversary in his priesthood, yes-
terday received many congratula-
tions from his friends in Paris. This
was his first parish, and where he
remained for 22 years, being greatly
beloved by all his parishioners, who
still have a warm spot in their heart
for him, although it is 30 years since
the Bishop left here. He has always
taken a deep interest in Paris, and
especially in educational matters of
this parish.

Crimean Veteran Take Two
Much sympathy is extended to Mr.
and Mrs. Thomas Henry Flagg, Oak
Avenue, in the death of their infant
daughter Kathlyn Winnifred, who
passed away yesterday. The funeral
took place this afternoon, the service
being conducted by Rev. R. J. Seton-
Adams.

WHO PAYS FOR SHELL INQUIRY

Little Bill of \$50,000 Which
Has to be Met by
Some One.

Ottawa, Aug. 9.—Who is going to
pay the fifty thousand odd dollars
which represents the cost of the
Meredith-Duff Royal Commission of
Investigation into fuse contracts?
That is the question now to the fore
for the reason that the bills are com-
ing in.

Of more immediate interest is the
question against whom the cost of
the investigation of the Shell Com-
mittee is to be charged. It was
learned yesterday that the commit-
tee are disinclined to assess it ag-
ainst the Imperial authorities. Al-
though it was an Imperial body, the
investigation was not requested by
the War Office and therefore it is
held that they should not be asked
to pay for it. If the investigation
had been conducted in an ordinary
court the costs would be assessed
against Messrs. G. W. Kyte and F.
B. Carvell as unsuccessful prosecu-
tors, and members of the committee
would not be at all disinclined to
take this course. However, a Royal
Commission has no power to assess
costs.

It is understood the cost of the
commission will be well over \$50,000.
One of the first bills to come in has
been that of Mr. E. F. B. Johnston.
It is said to amount to \$7,000.

WATCHING THE HYPHENATES.

By Special Wire to the Courier.
London, Aug. 8.—Asked by Sir
Edwin Andrew Cornwall in the House
of Commons to-day what safeguards
this country has against "hyphenated"
Germans who come to this country
as American citizens and with Am-
erican passports, Herbert L. Samuel,
the Home Secretary, replied that
they were dealt with by the authori-
ties under the Alien Restriction and
Defence of the Realm Acts. It would
be contrary to the public interest,
added the Secretary, to state the de-
tails of the action which had been
taken.

WATERLOO HOSTLER KILLED.

Waterloo, Ont., Aug. 9.—Reinhardt
Bowman, hostler at the Commercial
Hotel, fell off a step-ladder at 2.30
yesterday afternoon, breaking his
neck, and expired a few minutes
later. He was adjusting an awning
on one of the windows when a heavy
gust of wind tore it from his hands
and caused him to fall to the side-
walk on his head. Deceased was
about 50 years of age.

Turks Tell of Suez Fight

An Encounter Between Ad-
vanced Detachments, They
Say—Omit the Result.

By Special Wire to the Courier.
London, Aug. 9.—The operations
with which the Turkish forces ad-
vancing towards the Suez Canal be-
gan their attack on the British at
Roman last week are described in
an official statement by the Turkish
war office under date of Aug. 5, re-
ceived here as follows:

"Egyptian front: On Aug. 3 our
advanced troops occupied the line of
El Rahib-Katia-Abutelle and pushed
forward their reconnaissances to Ro-
mani eight kilometres north of Katia.
East of the town of Suez an encoun-
ter took place between one of our
advanced detachments and an enemy
detachment. El Rahib is situated
one kilometre north of Katia and
Abutelle, 5 1-2 kilometres southwest
of Katia.

"It is stated that the number of
prisoners taken at Kut-El-Amara was
12,597, including 615 officers."
The British force at Kut-El-Amara,
under General Townshend, surren-
dered to the Turkish Mesopotamian
armies on April 29, last. The Turk-
ish announcement at that time gave
the number of prisoners captured as
13,300. The British admitted the
surrender of 8,970.

LESS EXACTING NOW
Modification of Regulations for En-
listment in Home Service

Ottawa, Aug. 9.—A man with one
eye, who otherwise is physically fit,
may now be enlisted, but only for
service in Canada, not overseas.
A modification of the regulations
prescribes that anyone who has lost
the sight of one eye but whose vis-
ion in the remaining one is normal,
providing it is the shooting eye, may
be accepted. It is also provided that
loss of one foot or leg by invalided
soldiers who can wear or use an arti-
ficial limb will not constitute unfit-
ness for home service in special work,
nor will the loss of any toe or fingers,
except the great toe, prevent a man
from being accepted. The latter class will
be used for clerical positions. Like-
wise the loss of one or two fingers,
except thumb or forefinger, is not to
act as a bar to a man with a squint
eye will be given glasses free.

The modification of the rules will
permit many of the ten or eleven
thousand men doing guard duty on
public works at home to go overseas.
They would be replaced by those with
the disabilities above mentioned.
