Extensive improve-ments will be made in the near future The Globe last Friday published its vine is double the price this year that twine is double the price this year that it was a year ago. Not that all twine is made of manila, but the best quality is made of that material, and its scar-its brings up the price of other mater in the way of new machinery, &c., and it will no doubt soon become a most profitable industry for the promoters. two weeks ahead of last year. So far the province has already escaped the and this year it has gone up by degrees till it is worth 12 to 13cts. and is like blighting work of frosts. Methodist S. S. Excursion, The Huron Synod of the church o Widespread interest is being taken n the Methodist S. S. excursion to Mr. Severe Dorey a few days sgo, while hunting a ground hog on his farm just west of Gananoque, dug up a real Indian relic in the form of a piece of pottery. It is in the shape and color of a large organ nut with an ongo Alexandria Bay on Saturday next, and the event promises to be one of the most successful of the season. The elegant new steamer "Brock-ville," which has been chartered for color of a large cocca nut, with an open neck, the whole resembling a vase. It is made of clay and sand burned, ville," which has been chartered for the occasion, is winning great praise for- its comfort, safety, speed, and steadiness, and not a little of its popu-larity is due to the fact that it is manned by a competent, careful and obliging crew. The run to be made on Saturday will take excursionists through some of the most beautiful scenery of the Thousand Islands. In connection with this excursion we note that a misapprehension has arisen regarding the rates to be charged. We are asked to state that the prices quoted on the bills are for method of obtaining it. The Babtist denomination is ever The Babtist denomination is ever a leader in reform, and can be fully credited with the courage of conviction. In the Baptist convention last week at Winnipeg, it was decided to abandon the good old fashioned but doue-toand the material seems to have abound-ed in iron. The neck is rudely orna-mented as though with a pointed stick. It had been carefully buried, and pro-tected by large flat stones at sides and over it. But there was nothing in it the good old fashioned but doue-to-death billeting system, and hereafter the expense of Baptist delegates will be paid by themselves or by the church.—Regina Leader. With regard to the voting of special

The vacation is going to be a long one, but the teachers and pupils, like the farmers when wheat goes up, will endeavor to bear it with Christian fortitude.
