We have no direct interest in any of them, only some we know have stood the test of trying and that's the best recommendation we can give.

**Mrs Maxwell Told How Much Pain and Suffering may be Removed.**

A Very Interesting Statement by an Elderly Lady—She Has Found a Panacea for All Female Weakness and Wants Every Woman in Canada to Know of It.

Flora, Ont., Jan. 10.—(Special)—Mrs. Maxwell of this place has written for publication a very strong letter in which she claims that Dodd's Kidney Pills have cured her of Female Weakness after she had tried almost everything else.

The good lady, according to her statement, suffered for a long time with kidney trouble, which was accompanied with a dizziness and headache that made her very ill. She was passing through what is always a critical period in every woman's life and her troubles were considerably increased by this. Indeed her life was for a time in great danger.

She says she used Dodd's Kidney Pills with the most remarkable results, being almost instantly relieved and in a very short time completely cured and restored to good health.

She is very grateful and in her letter she says: "I cannot find words to express my gratitude to God for my marvelous cure. Dodd's Kidney Pills are the greatest medicine in the world especially for those of my age. I could scarcely move hand or foot. I was so dizzy, and violent pains would shoot through my whole system, but thanks to Dodd's Kidney Pills I feel well and smart."

This cure and the cure she created quite a sensation and Mrs. Maxwell's frank statement of the matter has been the subject of a great deal of comment.

Dodd's Kidney Pills seem to be an infallible cure for Diseases of Women as well as for Rheumatism, Diabetes, Bright's Disease, and all Kidney disorders.

He taught four years in the public schools of Kent, two in the county of Glengarry, one in the Chatham Business College, and two years as half as commercial master in Quebec high school, where he gave unqualified satisfaction.

Most encouraging reports have been received by Robert Mercer from the physician attending Mrs. Mercer, who has been in Detroit for some weeks. There is only one boarder at Cassin Mercer just now. The boarder girl incarcerated last summer is still at the jail awaiting removal to the asylum.

**FROM OLD QUEBEC**

The Historic Capital Furnishes a Story of Interest to Many.

The newspapers in and around the city of Quebec are just now relating the story of a well known French Canadian gentleman who for many years has been a martyr to Dyspepsia.

The sufferings Mons. Bouchard endured have been beyond the power of tongue or pen to describe. He has been tormented, so much so, that for two years he had but little pleasure in life. Dyspepsia wrought its worst punishment in him and he seemed able to in any way alleviate his distress.

At last however he has found a cure. Dodd's Dyspepsia Tablets have relieved him of all his pains and distress, and have made an all round man of him. He is very grateful and full of praise for Dodd's Dyspepsia Tablets, which he says "have made a new man of me."

This story should be of greatest interest to thousands who are now suffering as Mons. Bouchard did before he used Dodd's Dyspepsia Tablets. If this remedy can and does cure such acute and advanced cases it surely will cure any case of Stomach Trouble.

It is but reasonable to at least give a trial to a medicine that has proved itself to be effectual in so very many cases. Dodd's Dyspepsia Tablets are an experiment that is tried and proved remedy for Indigestion, Heartburn, Sour Stomach, Bloating, Palpitation of the Heart or any of the many symptoms of deranged or impaired digestive machinery.

**TWO MOODS.**

Sometimes I seem to rise on wings  
And kinship claim with heaven's things;  
Sometimes my eager fingers grasp  
The highest just within their clasp  
And then I feel that I am mid  
That nought can steal my heart from  
this!

Sometimes, alas! I find life's stress  
I do but clutch at nothingness—  
That inner light is lost, is gone,  
And in the dark I grope—alone!  
Oh, then, my Father, grant to me  
To trust completely in Thee, O Lord,  
And say, though stars forbear  
shine,  
"Still, Lord, I know that thou  
art mine!"

**HEALTHY LIQUOR THAT TICKLES EVERY PALATE AND AGREES WITH EVERY STOMACH.**

What shall I drink? is a question heard every day. People find that only makes them nervous, and such whisky being so often adulterated, disagree with their stomachs according to a most prominent physician, Melchers Red Cross Canadian Gin is one of the few liquors really pure and perfectly matured; as one being offered to the trade, it is apt for years in bonded warehouses.

In 1902 Mr. Collins was recognized as the first Canadian Gin in the world that goes through such a long and rigorous process, and the only gin of its age and quality guaranteed every bottle by a Government inspection process, and the only gin to do effective work and extend valuable after-taste known to nearly imported gin. It is soft and meltable to the palate, agreeable to the stomach, and does not irritate the stomach, and is valuable for diseases of the urinary organs.

Melchers Red Cross Canadian Gin is pure and so well matured that it is not a single headache in a row of it.

I find the Diamond Dyes give perfect results in my use, and the directions are observed there is no failure or poor work. I have other dyes, but the Diamond Dyes are first and best."
