

PUBLIC OPINION HIS JURY.

Hon. Mr. Emmerson Leaves Reputation to Country at Large.

Toronto, June 27.—Hon. Mr. Emmerson was in the city yesterday en route to Virginia.

"I leave my reputation to the great jury of the country at large," he said. "If it is as the court ruled, I might as well have been in Newfoundland as in Montreal on that night. I couldn't have got a verdict of libel, so long as they say they believed me guilty. I can't prove that they did not think they were telling the truth, so why bother any more about it."

ARE YOU SUBJECT TO STIFFNESS? Perhaps it is in the neck or shoulders. First thing is a good rub with Nerviline. No more speedy remedy can be adopted. When applied to the muscles Nerviline gives them flexibility and vigor, inflammation, soreness and stiffness disappear. "Whether in the chest or throat nothing can surpass Nerviline," writes O. E. Denton, Lumber Merchant at Oak Bay, N. B. "Rubbed on at night, the trouble is gone by morning. I have proved Nerviline a great medicine." Everyone says the same, and Nerviline always makes good. 25c. bottles sold everywhere.

This was the result of investigation proceeded with by Morley Donaldson, superintendent, at Ottawa.

Half-Hearted Consent. London, June 27.—(C.A.P.)—The Tribune says its article on the all-red route gave expression to the view prevalent in the lobby of the House of Commons where it is thought advisable to do what can be done to prevent any possibility of Lloyd-George's half-hearted consent to the scheme being translated into action.

On Tuesday night, between eleven and twelve o'clock, the Grand Trunk station engine, No. 10, was started by a passing engine. The fire brigade was called out, but the fire had got too great a headway, and in spite of the efforts of the firemen and citizens the station and the pump house were completely demolished. Several of the adjacent buildings were in great danger, but fortunately a heavy storm started which held the flames in check. A temporary repair is now being built, and we hope in the near future to see a building erected worthy of the town.

A very sad death occurred yesterday morning when Mr. Benjamin Baithard, a worthy farmer of this vicinity, passed away after a few days illness. He was a member of the Masonic Lodge, also L. O. L., the I. O. F., the I. O. E., and the Daughters of Rebekah. A wife and five children survive him, William, of Plymouth, Mich.; George, of Guelph, Ont.; John, Agnes and Minnie, of Thamesville. The funeral will take place from his late residence at two p. m. to-morrow. The service will be conducted by the Rev. John McInnis. Interment in the Sherman cemetery. ONTARIO NEEDS SUBSIDY.
Amendment to B. N. A. Act in Imperial House Affects Province.
Toronto, June 27.—Ontario is interested to the extent of \$800,000 in the passage of the amendment of the British North America Act, in the Imperial House this week.

"If the bill does not go through," said Hon. Col. Matheson yesterday, "it will mean that we will be short \$400,000 this year. The measure must pass within the present week or it cannot be put through this session, and we will be unable to get this money that we have been counting on."

If the amendment carries Ontario will receive two instalments of \$400,000 each, but it is very necessary that the bill should be carried at once, as the Government has been counting on at least one instalment of the money and will be considerably out in its accounts if it is disappointed.

Reduced rates to Detroit and return, going every Saturday and Sunday, returning up to Monday night, was \$1.60, is now \$1.50; C. P. R. are also making rate of \$1.00 going every Thursday, good to return until following evening. For further information ask C. P. R. ticket agent, corner of King and Fifth streets.

That the roots of many plants, growing wild, our American forefathers, possess remarkable properties for the cure of human maladies is well proven. Even the untutored Indian had learned the curative value of some of these and taught the early settlers their uses. The Indian never liked to get well as soon as possible, that he might do the work and let him hunt. Therefore he drug "papoose root" for her, for that was their great remedy for female weaknesses. Dr. Pierce uses the same root called Blue Cohosh in his "Favorite Prescription," skillfully combined with numerous other agents that make it more effective than any other medicine in curing all the varied weaknesses and painful derangements peculiar to women.

Many afflicted women have been saved from the operating table and the surgeon's knife by the timely use of Dr. Pierce's Favorite Prescription. Tenderness over the lower region, with backache, spells of dizziness, faintness, bearing down pains or distress should not go unheeded. A course of "Favorite Prescription" will work marvellous benefit in all such cases, and generally effect a permanent cure if persisted in for a reasonable length of time.

For constipation, the true, scientific cure is Dr. Pierce's Pleasant Pellets. Mild, harmless, yet sure.

"BLUE DEVILS"

Get Rid of Indigestion And Things Will Look Bright And Joyous.

Even in the present era of prosperity and good times everything appears black to those people who are suffering wretchedly from some form of indigestion. Where digestion is quick, complete and easy there is a joyous and hopeful outlook, but indigestion causes depression.

The want of a safe, effective cure for sick headache, indigestion and stomach troubles, was always felt until the prescription known as Mi-o-na stomach tablets was put out in popular form and proved its invaluable success in the many forms of indigestion.

After a few days use of Mi-o-na stomach tablets, the headache, dizzy feeling, drowsiness, bad taste in the mouth, coated tongue, nervousness, sleeplessness, distress after eating—all these symptoms of a weak stomach—will disappear and perfect digestion and a good skin will show that the vital machinery is once more running smoothly.

Mi-o-na is to be taken before each meal and it will stimulate the secretory and digestive juices and strengthen the whole of the digestive system so that the unpleasant full feeling will be absent and indigestion prevented.

Mi-o-na stomach tablets are sold only in a neat metal box convenient for the vest pocket and cost 50 cents. C. H. Gunn & Co. have seen so many cures made by Mi-o-na stomach tablets that they give a guarantee with every box that the money will be refunded if the remedy fails to give satisfaction.
