The Catholic Order of Foresters held a meeting in their hall Thursday evening. The attendance was very large and a good deal of business was transacted. Four initiations took place and many applications for membership were received. It was announced that the prizes for the card contest, which is terminated, will be awarded at the next regular meeting.

F. A. Robert, of Chatham, was in town on Tuesday of this week in connection with the placing of a suitable man in the Marquis Hotel, which has been closed so long. Mr. Robert has the papers all ready to be signed by John Cooper, to whom he intends giving the place, and as soon as these are signed the hotel will be opened. The papers will bond the tenant to run a strictly temperance and respectable house,—Merlin Mirror.

A hearty appetite does not always indicate a healthy condition. It is not the quantity of food which is eaten, but the quantity which is assimilated, which determines the actual value of the food consumed. If the shomach and organs of digestion and futrition cannot convert the food into nourishment, and into head then the food is an injury in head. food into mourishment, and into blood, then the food is an injury instead of a benefit. For all disorders of the stomach and its allied organs of digestion and nutrition, there is a certain remedy in Dr. Pierce's Golden Medical Discovery. It removes clogging obstructions.
