### Australia Discriminates.

Ottawa, Oct. 5.—The Department of  
Trade and Commerce has received  
word from their agent in Australia  
stating that the Government refused  
to change the decision that the in-  
land freight charges in Canada must  
be added on shipments to Australia.  
This means that the discrimination against  
the Vancouver route and the Canada-Aus-  
tralian steamship line in favor of the  
United States continues.

### IT HEALS THE LUNGS.

When the antiseptic vapor of "Catarrho-  
zone" is inhaled it spreads  
through the breathing organs, car-  
rying healing and health to the sore  
spots. An irritable throat "Catarrho-  
zone" cures in five minutes, bron-  
chitis, it soothes instantly, weak  
lungs are fed and quickly nourished  
back to health. To be free from  
colds and coughs, to avoid catarrh  
and bronchitis—use Catarrhozone! It  
is prescribed by more than twenty  
thousand physicians in America alone,  
and used by the people of nine na-  
tions.

### Drops Dead at 78.

Kingston, Oct. 5.—Yesterday morn-  
ing James Stanley dropped dead at the  
General Hospital, aged 78 years. He  
was known best as "Red River Jim,"  
from the fact that he had taken part  
in the Red River expedition under Sir  
Garnet Wolseley.

### DO YOU GET BILIOUS?

No remedy could be more prompt  
and agreeable than Dr. Hamilton's  
Pills. No matter where you go, you'll  
hear of the grand cures they make.  
Writing from Ottawa Mrs. M. E. Le-  
gère says: "For people inclined to  
biliousness and sick headache I don't  
think there is a remedy to compare  
with Dr. Hamilton's Pills. I formerly  
had bilious attacks about once a  
month—used Dr. Hamilton's Pills and  
obtained grand results. My stomach  
has been put in good order and my  
health greatly improved." No medi-  
cine better for men, women or chil-  
dren. Try Dr. Hamilton's Pills—25c.  
per box or five boxes for \$1.00 at all  
druggists.

### Toronto Man Was Killed.

Port Arthur, Oct. 5.—Ellas Christen,  
whose home is in Toronto, was instant-  
ly killed at Steel River on the C. P. R.  
yesterday. He was on a bridge when  
the car was being shoved over. He  
stepped on the side and lost his bal-  
ance, toppled over the side, alighting  
at the bottom, some 52 feet. Of course  
he was instantly killed.

### HOW TO CURE CORNS AND BUN- IONS.

First soak the corn or bunion in  
warm water to soften it; then pre-  
pare a poultice as follows: mix with-  
out drawing blood and apply Cham-  
berlain's Pain Balm twice daily, rub-  
bing vigorously for five minutes at  
each application. A corn plaster  
should be worn a few days to protect  
it from the shoe. As a general lin-  
iment for sprains, bruises, lameness  
and rheumatism, Pain Balm is un-  
equalled. For sale by all druggists.

### Icebound For Ten Months.

London, Oct. 5.—(C. A. P.)—The  
Stork arrived at the West India docks  
Tuesday. She started from Charlton  
Island in James Bay, at the southern  
end, on September 19, 1904. A suc-  
cession of gales, accompanied by pack ice,  
met her and after many escapes drove  
her back to Charlton Island, where the  
crew subsisted for nearly ten months  
on food they hunted, principally wild  
rabbits. The temperature averaged 22  
degrees below zero, sometimes exceed-  
ing 40 below.

### A JUDICIOUS INQUIRY.

A well known travelling man who  
visits the drug trade says he has of-  
ten heard druggists inquire of cus-  
tomers who asked for a cough medi-  
cine, whether it was wanted for a  
child or for an adult, and if got a  
child they almost invariably recom-  
mend Chamberlain's Cough Remedy.  
The reason for this is that they know  
there is no danger from it and that  
it always cures. There is not the  
least danger in giving it, and for  
coughs, colds and croup it is unsur-  
passed. For sale by all druggists.

tist church.

### WALLACBURG

Oct. 4.—The Wallaceburg Fair, held  
here yesterday, drew a large number  
to the town, the weather being very  
favorable. The committee had spar-  
ed no pains to make the exhibition  
this year of special order, and their  
efforts were surely successful, as all  
were highly pleased. The Band at-  
tended in the afternoon and the  
schools were also represented, having  
marched in a body to the "Agra-  
cultural Grounds. The Fair will also  
be a success financially.

The lacrosse boys' assembly, held  
last evening, was the first event of  
the kind this season. The hall was  
comfortably filled with young peo-  
ple to enjoy a pleasant evening, and  
none were disappointed. The St. Clair  
Orchestra supplied the music and, as  
usual, pleased the dancers.

The Henry-Kowtze Concert Co.  
put on their program last night be-  
hind a fairly large house. Those who  
were present report very favorably  
of the company.

The school children enjoyed a half-  
holiday yesterday on account of the  
Fair.

Miss T. Hasbani's not able to at-  
tend to her duties at the Dominion  
Express office, through illness.

### THAMESVILLE

Oct. 5.—Early yesterday morning  
the town was all alive and in good  
spirits, for the Fair day weather was  
all that could be desired. This was  
appreciated all the more as we some-  
times have a rainy weather. The  
crowd began to gather early in the  
morning and by one o'clock the  
grounds were filled with people. A  
great many from a distance and  
from neighboring towns came back  
again to see the Fair and meet old  
friends. The entries for the differ-  
ent classes were of great number and  
of the finest quality. The different  
buildings were filled all day by ap-  
preciative people. The merchants  
took a wonderful interest and their  
displays were good, while each visitor  
secured a useful souvenir.

The race track was a great attraction,  
the interest there being divided be-  
tween the horse racing and the fine  
show of stock.

The Opera House last night was  
filled to overflowing, all available  
standing room filled, and many had  
to go away, finding no open stand-  
ing room. The play, "Valley Farm,"  
was well rendered, each player tak-  
ing his part in a very able manner.  
The audience was most attentive and  
appreciative, ringing out in peals of  
laughter. The stage decorations added  
much to the play, the furniture  
being loaned by Messrs. J. & S. Brown.

The evening was opened by excellent  
music from Dr. DeCov, of Chatham,  
each number calling forth an encore.  
He produced the sounds on his violin  
of a rooster crowing, a cow bawling,  
and an old fashioned chain well  
drawing up water. This brought  
forth much applause. The costumes  
were fine indeed and lent much to  
the beauty of the play. All those  
who took part deserve much credit  
for the way in which they so ably  
took their parts, and for the time  
and energy they spent. Among  
those who took part were T. W.  
Sims, E. Sherman, G. Hardy, W. Mc-  
Kenzie, W. Anderson, F. Bambridge,  
Miss Fern Harner, Miss Nellie Mar-  
low, Miss Maud and Millie Albert-  
son, Miss Lizzy Evans, Mr. P. Duf-  
fus, Over 100 was realized, to be  
used for the Public Library. We  
congratulate them on their success  
and look for another such treat soon.

Philip Bowyer, our popular mem-  
ber, and Mrs. Bowyer, were very  
welcome guests at our Fair.  
Dr. and Mrs. McKenzie, nee Miss  
Annie Smith, came from Port Huron  
to visit Mrs. McKenzie's parents, Mr.  
and Mrs. Smith. They were accom-  
panied from Dresden by Mr. Ed-  
ward Smith.

Mr. and Mrs. Cyril Avery have  
taken up their residence on London  
street, over the bridge. Mrs. Avery  
will be at home to her friends after  
the 11th.

Mrs. Curry and Miss Gertrude  
Curry, from Glenora, spent the day  
with friends and visited the Fair.  
Will Hubble, from Chatham, spent  
the day with us yesterday and at-  
tended the Fair.

Harry Stead had the misfortune to  
lose one of his fingers in a threshing  
machine last week.

Misses Ethel and Jean McDonald  
visited the Fair yesterday.

Dr. Buck made some calls on old  
friends and took in the Fair.

The directors of S. S. excursion  
from Thamesville to Sarnia this sum-  
mer are wondering when the direc-  
tors of the A. O. F. excursion to

tend to make their returns.

### TWENTY INDIANS DROWN.

Left in Small Boat Sept. 26 and Since  
Unheard of.

Charlevoix, Mich., Oct. 5.—A fishing  
boat with four families of Indians  
from Garden Island, including several  
women and children, left here Sept.  
26 for Beaver Island. They have not  
yet reached the island, and it has  
about been given up as lost.  
There are supposed to have been  
about twenty Indians in the boat,  
probably half women and children.

Honest About It.

"What is the difference between his-  
tory and fiction?"

"Well," answered the unbelieving  
person, "one great difference is that  
fiction frankly owns up to being large-  
ly untrue."

Earnings.

Office Boy—W'y, cert, I want more  
pay. I'm only getting "four" a week  
and give my mother all I earn. Pros-  
prietor—What do you do with the other

PAIN ABOUT THE HIP.

It is a common complaint with  
women. The right treatment is Ner-  
viline, which penetrates to the  
seat of the pain immediately. Ner-  
viline warms and soothes the affected  
parts, draws out the irritation and  
pain, allows the patient ease after  
one rubbing. No liniment so econom-  
ical and safe. Nearly fifty years in  
use, and the demand immensely  
greater every day! Nerviline must  
be good.

### New Women in the South.

The southern woman of affairs really  
antecedates the "new woman" of Amer-  
ica, about whom we have heard so  
much in recent years. The training of  
southern women for the practical su-  
pervision of large undertakings began  
during the war of 1861-65, when they  
were left in entire charge of a very  
considerable percentage of the south-  
ern plantations.—Macon Telegraph.

### THE WONDERS OF THE BODY.

Its mechanism, like delicate ma-  
chinery, by even a slight cause is so  
disarranged as to be practically use-  
less. A headache is no trifling mat-  
ter, because the stomach, kidneys and  
liver are sure to be affected. To cure  
the cause of headaches and prevent  
new attacks, use Ferrozone; it aids  
the stomach by supplying nourishing  
blood, vitalizes the nerves and brain  
instantly. Ferrozone braces—gives  
tone—elevates your spirits. No such  
health bringer known. Fifty cents  
per box of fine chocolate coated tab-  
lets at all dealers.

It is hard to make some men un-  
derstand the meaning of the word  
"no."

### THE FOUR D'S.

Charles Spurgeon once said that  
there are three great enemies to  
man—"dirt, debt and the devil." He  
might have added one more D and  
included dyspepsia. The evil results  
of this disease could hardly be exag-  
gerated. Its effects are felt in mind  
and body, and are as far reaching as  
the effects of the curse that was laid  
on the Jackdaw of Rheims which was  
cursed in eating and drinking and  
sleeping, in standing and sitting and  
lying." The good effects of Dr.  
Pierce's Golden Medical Discovery are  
most marked in aggravated and  
chronic cases of dyspepsia. It en-  
ables the stomach glands to secrete  
the necessary quantity of digestive  
fluids, and this at once relieves that  
craving or gnawing sensation so com-  
mon to certain forms of indigestion.  
It tones and regulates the stomach,  
invigorates the torpid liver and gives  
the blood making glands keen assimi-  
lative power. "Golden Medical Dis-  
covery" cures ninety-eight per cent.  
of those who use it. Dr. Pierce's  
Pleasant Pellets are superior to all  
other laxative medicines when the  
bowels are obstructed.

Let a man know you put implicit  
trust in him and his loyalty is as-  
sured.
