THE ACADIAN.

WOLFVILLE, N. S., NOV. 22, 1895.

Local and Provincial.

The second quarterly session of King District Lodge will be held with "Star of Hope" Lodge, Morristown, on Tuesday, Dec. 3rd, at 10.30 o'clock.

The young ladies of the Presbyterian church, Lower Horton, are to hold a Bean Supper and Fancy Sale in Evangelical Hall, Grand Fre, on December 4th.

The Dalhousie-Acadia Football match at Halifax last Saturday was witnessed by over a thousand spectators. The game was a closely contested one, neither side scoring any advantage.

The subject to be debated this evening by the orators of the Debating Society is "Resolved that a Dike from Kingsport to Long Island would be beneficial to the County." Something heavy is expected.

Mr. Noble Crandall can fit you as you should be fitted. Try him on your next suit or Overcoat.

The plant and business of the Wolfville Steam Laundry has been sold to Mr. J. A. Dorman, of Halifax, formerly manager of one of the city laundries, who will carry on the business. Mr. H. A. Welton, we understand, intends going south for the winter.

On Monday evening the members of the Christian Endeavor Society in connection with St. Andrew's church were entertained at a very pleasant social by the president, Mrs. C. M. Murray, at her pleasant residence on Linden avenue.

A most enjoyable evening was spent by the young people.

It is with sincere regret that we are called upon this week to record the death of Miss Annie Elderkin, an esteemed lady resident of Wolfville. Miss Elderkin was taken with paralysis a little over a week ago and remained in a helpless condition until yesterday morning, when she passed away. The deceased was a native of Wolfville and had spent all her life here; but was making arrangements to remove to Boston when she was taken ill. She will be missed by a large circle of relatives and friends.

You can buy Perrin's seven studs Lace-up Gloves, regular price \$1.30, for \$1.17 at Carver's, Windsor, N. S.

Several cases are reported of persons being fined—in no case less than ten dollars—for illegally enclosing correspondence in newspaper packets or in other articles of mail matter prepaid at less than letter rates. We presume that this part of the postal law is often violated through thoughtlessness, but it would be well for the public to remember the consequence when detected in such acts. Ten dollars will buy a lot of three-cent stamps.

Professor Roberts, late of Kings College, delivered a lecture on "The Making of Canada" before Acadia Athenaeum on Monday evening. Mr. Fred M. Fenwick, President of the Athenaeum, was in the chair. He announced that Archbishop O'Brien, of Halifax, would lecture before the College about Dec. 15th. The lecture of Professor Roberts was what we would expect from him, a scholarly, able, refined production, full of thought. Patriotic sentiment was not overlooked. Professor Roberts is one of the men to whom it is desirable and profitable to listen.
