C. H. BORDEN WOLFVILLE.

From the Front.

The following private letter to the editor will be of interest to our readers: Headquarters 1st Army, France, April 15th, 1915.

MY DEAR MR. DAVIDSON—I am sending you to-day under separate cover a copy of the despatches of 'Eyewitness' from the front. You may find this a useful compendium.

I should have sent you a letter for publication but, on account of the restrictions on officers doing work for the press, my pen has been absolutely idle.

The campaign here on the Western front is deplorably monotonous. I have been in Flanders for three months and am jolly well 'fed up' with the place. We all turn our eyes in hope towards the East, to the Dardanelles and the Carpathians. A sudden, spectacular, and decisive engagement may occur there at any time.

We along this Western front are playing a game that would try the patience of old Job himself.

I get THE ACADIAN right along. The distance and time that separates me from home only serve to intensify my interest in the home journal.

With warmest regards, I am, Very truly yours, ARTHUR HURT CURTIS, Captain 1st Canadian.

A Red Cross Appeal to the Farmers.

Our country, with its Allies, is waging a great war for justice, for the protection of their rights, for continued and growing freedom, and for the maintenance of its pledged word of honor. Much destruction and desolation are being caused. Lives are being lost by the thousands. Canada's first contingent is now in the thick of it. Some will fall sick; many may be wounded; some will pay the last full measure of devotion to their country and its cause.

The Red Cross Society exists to succor the sick and wounded in war. It needs more money to provide more beds at hospitals in Great Britain and France; it needs more money to pay more Red Cross Nurses; it needs more money, and more things made by women, to supply to Clearing Hospitals, Base Hospitals and Recovering Hospitals.

I appeal to the farmers to send me sums from \$1 to \$50, during the first week in May. Every \$50 provides one additional hospital bed with the giver's name over it. By sending me about \$10,000, you would serve your country well, bring credit to your selves, and make all of us very proud of you. For the sake of the wounded boys, make the gift substantial! It will be an investment towards the recovery of some Canadian soldier who stood in our stead that our cause might be upheld.

Faithfully your friend, JAS. W. ROBERTSON, Chairman, Red Cross Society at Ottawa.

An Amazing Cure For Neuralgia Magical Relief for Headache

The Most Effective Remedy known is "Nerviline."

The reason Nerviline is infinitely a remedy for neuralgia resides in two very remarkable properties Nerviline possesses.

The first is its wonderful power of penetrating deeply into the tissue, which enables it to reach the very source of congestion.

Nerviline possesses another and not less important action—it equalizes the circulation in painful parts, and thus affords a sure barrier to the re-establishment of congestion.

It doesn't matter whether the cause is spasm or congestion, external or internal; if it is pain—equally with the curative action upon neuralgia—Nerviline will relieve and quickly cure rheumatism, sciatica, lumbago, strains, swellings or enlarged joints, and all other muscular aches.

Nerviline is a guaranteed remedy. Get the large 50 cent family size bottle; it is far more economical than the 25 cent trial size. Sold by all dealers everywhere or direct from the Catterhorne Co., Kingston, Canada.
