

CRIPPLED BY RHEUMATISM

Began to Improve After
Taking "Fruit-a-lives"

The Medicine Made From Fruit
You can get rid of Rheumatism. You can be free of pain—of swollen hands and feet—of aching arms, legs and back.

"Fruit-a-lives" will drive the cause of Rheumatism out of the system and give you permanent relief.

"For over three years, I was confined to bed with Rheumatism. Finally I decided to try 'Fruit-a-lives'. Before using half a box, I noticed improvement. I continued taking 'Fruit-a-lives' improving all the time. I can now walk about two miles and do chores around the place."

NEW LAMP BURNS 94% AIR

BEATS ELECTRIC OR GAS

A new oil lamp that gives an amazing brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94 p. c. air and 6 p. c. common kerosene (coal oil).

The inventor, J. M. Johnson, 246 Craig St. W., Montreal, is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month. 15-23

CHRISTMAS A FEW WEEKS OFF

The Harvey Studio certainly strike a popular note when they state that there is nothing better than photographs as Xmas gifts. One never regrets the expenditure of a good photograph. They are pleasing beyond question. Now is the time to have them taken.

Order Printing Now

Now is the time for produce dealers and other business men to look over their stock of office supplies and place their orders for printing before the big rush that usually sets in around the first of September. We can handle any orders sent in now very expeditiously, but if orders are deferred they may come at a time when we have weeks of work ahead. Letterheads, invoices, envelopes, all the various needed blank forms may as well be ordered now and be ready the instant they are required. We can at any time deliver blank typewriter paper, second sheets, from stock in hand, and we supply any form of special loose leaf or other blanks as quickly and as cheaply as they can be secured elsewhere. The facilities of The Observer Newspaper printing plant are not excelled in the province, being quite equal to the best equipped city offices. The most expert craftsmen we can secure are employed and the enterprise needs your patronage and we will lend our best effort to satisfy every customer in quality, service and price. Orders sent by mail will be filled promptly and at just as low a price as if we gave competitive figures. And if you must have an order filled in a great rush we will never take advantage of your necessity. The regular customer, the "stayer," gets our best prices. We try to fill every order so that we may hope for the next one with reasonable assurance. The Observer Newspaper Ltd., Hartland, N. B.

Why you have Rheumatism

RHEUMATISM is largely due to weakened and deranged kidneys. When the kidneys fail to properly fulfil their duty of carrying away the poisonous impurities in the blood stream, uric acid accumulates, and rheumatism, lambo, sciatica and other serious ailments follow.

If you suffer from headache, pain in the back, dizzy spells, or uric acid floating before the eyes, painful, suppressed or scalding urination let GIN PILLS set your kidneys right, and restore you to the glory of good health. A few doses will bring relief. A few boxes will make you entirely well.

50 cents a box, at your druggist.

Eczema Covered Arms of This Healthy Child

Mrs. Alex. Marshall, Sprucedale, Ont., writes—

Baby Marshall

DR. CHASE'S OINTMENT

50 cents a box, all dealers or Edmanston, Bates & Co., Ltd., Toronto.

"When my little son was three months old he broke out in sores on his chest and arms. We did all we could to heal those terrible sores, but nothing did him much good. Finally I ventured on a box of Dr. Chase's Ointment and kept on using it. At last we were rewarded by the steady healing of the sores, and finally he was completely relieved of them. He is now three years old, and has had no return of the trouble since."

JEWETT SIX PAIGE BUILT

Try to Pass It On a Hill
Then You Will KNOW Jewett Six
Has More Power

LOTS of "boulevard beauties" are "duds" when asked to climb! That's where real ability shows. And that's where the new Jewett Six is daily outshining "light" sixes—and cars costing far more than Jewett.

The new Jewett Six outclasses all cars in size. It has a full 50 h.p. six-cylinder motor—Paige built. Cylinders are 3 1/4 x 5 inches—which means 249 cubic inches of piston displacement. Check those figures against any "light" six. Form your own opinion of performance possibilities of lower-powered cars.

Having such power, Jewett Six need not be skimped in an effort to attain performance. Nor is it 6-inch-deep frame, husky Paige-Timken axles, front and rear all-steel universal joints, springs 80% of wheelbase. The new Jewett weighs 2805 pounds—from 200 to 400 pounds more than "light" six cars of the same size.

And with all this power, strength and weight—Jewett drives from 2 to 60 miles an hour in high passes most any car on any hill accelerates from 5 to 25 miles an hour in 7 seconds in high. [Try that with any other car!]

Yet Jewett Six costs only \$1645 f.o.b. Windsor, tax paid. Oldtime motorists are amazed at its performance, stamina and astounding value. Drive it yourself. Call us up. Have a ride, any time. You'll agree that Jewett outperforms most any other car you've ever driven—particularly when compared with "light" sixes of less power, less weight, less strength and durability! (C61)
