To cure the common ailments that may occur in every family as long as life has woes.

JOHNSON'S ANODYNE LINIMENT has been used and indorsed since 1810, to relieve or cure every form of Pain and Inflammation. Is Safe, Soothing, Sure. Otherwise it could not have existed for almost a Century.

JOHNSON'S ANODYNE LINIMENT

Is strictly a family remedy for Internal as much as External use

To cure Colds, Croup, Coughs, Catarrh Cramps and Colic it acts promptly.—

ORIGINATED BY AN OLD FAMILY PHYSICIAN.

There is not a medicine in use which possesses the confidence of the public to a greater extent than Johnson's Anodyne Liniment. For almost a century it has stood upon its intrinsic merit, while generations after generations have used it. The best evidence of its virtue is the fact that in the state where it originated the sale is steadily increasing. You can safely trust what time has indorsed.

I. S. Johnson, Esq.—Fifty years ago this month, your father, Dr. Johnson, left me some Johnson's Anodyne Liniment. I have sold it ever since. I say most truly my that it has maintained its high standard and popularity from that time to the present.

THE CLUB.

The social and athletic club which has lately been formed by a number of young men about town, is without doubt an organization which should have the patronage and support of all citizens who have the interest of the town at heart. There are a great many benefits to be derived from such an organization. In the first place it will keep our young men from loafing around the streets at night, and in fact from all places which are considered by parents as objectionable, and which are void of a tendency to better a young man's morals. An organization of this kind will give our young men a knowledge of debate and lots of practice in oratory, as we understand the club will hold regular meetings. The rising generation will some day control our town, therefore a little knowledge in the art of speech-making and debate, may prove useful in time to come. The club should not only be the resort of young men, but should be frequented by our best citizens, where town affairs may be discussed during a comfortable smoke or after an enjoyable game of whist or billiards. The club's the place.

Editorial Notes.

Why does Blair avoid this county? Don't all answer at once.

Liberals who play the game of politics to win, had better quit Tarte. He's a Jonah.

Great Britain has shown that her colonies are with her. So lookout, ye fiery steeds across the sea.

An exchange says,—it is said that a new daily will shortly be issued in St. John, to be called the News. There are three good dailies in St. John now. What about the fourth one? Is it N. G.?

The Editor of the World had a crow to pick with us, but he pulled the feathers very gently. We would hit back, but he might see us and raise it five. No, no, we have too much respect for our feelings. Good-bye.

Blair spoke in Campbellton, Bathurst and Harcourt. Read the reports of the conservative organs and then the liberals papers' reports. Mix well and stir and you have something which is not very palpable or digestive.

We have good authority for crediting Hon. Andrew G. Blair with making the following statement, made during his recent Bathurst speech:—'Election will be brought on in three months. No, no, I mean several months.

Laurier, Tarte, Blair and Fielding are shouting what they have done to better the country, and Tupper, Foster and Wallace are telling the people how the liberals are ruining the country. Who will we believe? There must be fabricators on both sides.

There have not been any Dewey or Hobson feats performed in the South African war yet, and the British are without their 'Fighting Bobs' and Teddy Roosevelts', place no mules in the way and have not given any peace makers free trips to Africa and return, etc, etc. But watt, Buller is thinking and when he has finished, Oom Paul will see the stars of Denmark floating before his eyes.

All Canadian eyes will soon be turned towards Manitoba, as the general election will be held there on December 7. The legislature which has just been dissolved, was the ninth, and had reached the fourth session. The present premier, Mr. Greenway, has occupied that position for three consecutive terms, and he is now making his fourth appeal to the people of Manitoba for their verdict on his administration. Mr. Greenway's term—to say the least—has been a prosperous one, and he will no doubt be returned by the people.

The Cleveland Herald contains the following paragraph: — "Although Canada has been represented as eager to send troops to South Africa, there is within her borders the bitterest opposition possible to it. The French Canadians have gone so far as to threaten the sucession of their Province from the Dominion, even at the cost of a civil war." We can assure our contemporry that the sucession and civil war are only to be found in the columns of Tupperite organs. Neither has any place in real Canadian politics. It is a pity, however, that so pitiful a slander should ever have been sent abroad.— Toronto Globe.

DAWSON CITY.

Described by a Newcastle Man.

The People, Stores, Churches Banks etc.

New Brunswick Men Who are Doing well.

"Tell you about Dawson city, why certainly," replied Mr. John Russell in answer to an Advocate reporter's request, and he settled himself up in one of the numerous easy chairs in the Advocate sanctum and prepared for a pleasant chat.

"There are a number of New Brunswick boys in Dawson and all are doing well," began the Klondiker.

"What is the present population of Dawson," asked the Advocate.

"About five thousand. Nearly 3500 are Americans, six or seven hundred are Canadians and the balance is composed of Englishmen, Frenchmen, Germans, and in fact every nationality under the sun is represented, with the exception of the Chinese. There is not a celestial in the town. The Americans own nearly all the claims. There are four churches—Methodist, Roman Catholic, Episcopal and Presbyterian. They are all self sustaining. A twenty five cent piece is the smallest coin in circulation, so everybody attending church puts on a quarter or more. You have to pay twenty five cents for an apple. There are four newspapers published in Dawson, and all sell for twenty five cents;—The Semi-weekly 'Nugget', 'Yukon Sun', weekly; weekly 'Miner', weekly 'Gleaner' and the 'Daily News'. The 'Yukon Sun' is owned by Canadians and the others are under American control.

There are four theatres, and their doors are open every night, Sunday excepted. Each theatre has a bar, which is controlled by the proprietor of the house. There are several boxes, and after a girl does her turn she marches around to one of the boxes, where there are lots of male admirers ready to treat her to champagne, which costs $10 a bottle, and the girl gets half the money. There is really not any good acting done, but the singing and dancing are very good, so the theatres are usually crowded. Immediately after the performance the auditorium is cleared of its chairs, and dancing commences. It costs a man five dollars for one dance. You select your partner and unfortunately your waltz, polka or whatever it happens to be is over, another dance is called and your partner is soon selected by another man. The dancing is continued until two and three o'clock in the morning and the proprietor make lots of money.

"Of course you being a married man, never never indulged" interrupted the scribe.

"No, but of course I looked on, and there is generally lots of fun in that. Nearly every second door on the main street is a gambling saloon. Faro, roulette crab, blackjack and poker are played continually. The best of order prevails. A man can gamble safer in Dawson than in any other city on the continent. A policeman is always on hand and cheating is out of the question. I never saw a night in any of them. If a faker is caught he is immediately arrested and sentenced to a long term of imprisonment with hard labor. He is compelled to work on the streets manacled. All places are supposed to close Saturday evening at 12 o'clock sharp. The Sabbath is strictly observed. There are some excellent stores in Dawson, the majority of which are controlled by companies. Over a hundred steamers arrived in Dawson during the summer, with freight for the different concerns. The town is lighted by electricity and has a good water works and two fire engines. There are six good hotels. Mr. Alexander McDonald, the Klondike king, has lately erected a ten dollar a day house, compares favorably with the best in the provinces. Good board in Dawson costs $4 a day. The Bank of British North American has two branches there and the Canadian Bank of Commerce has a branch there. All the banks have a large number of clerks employed. There are a lot of men in Dawson who make their living by gambling and then again there are a lot of men who are what we call "bums". But if a man is willing to work he can find lots to do. There are quite a number of Miramichi boys in Dawson who are doing well. For example there is Mr. Patrick Kays of Northesk, who is at present visiting his home. He owns fourteen cows in Dawson and got as high as $8 a gallon for milk, and it gets no more to keep cows there than it does here. Mr. Isaac Burpee of St. John owns some excellent claims, and in a few years will probably be worth two or three hundred thousand dollars. Mr. Harry Domville, son of Col. Domville, M. P., also owns some excellent property. There are between seven and eight hundred men in the city. A great number went in last fall to meet their husbands. The wages this winter will be $1.00 to $1.25 an hour. I believe the Klondike mining is yet only in its infancy and that in a few years, gold will be taken out by the carload. Well, I guess that is about all the people want to know about Dawson," and Mr. Russell emerged from his comfortable position, and and after being thanked by the scribe for the interview, departed for dinner.

Mr. Russell left Newcastle on April 17th last and arrived in Dawson City on June 12th. He returned home a few weeks ago. Mr. Russell is manager for the Yukon Steward Pioneers. They are the owners of two large mills, five claims which are considered good, one store, a steamboat and twenty five miles of timber lands. Mr. Russell will probably return to Dawson in February.

CLUB DANCE

Promises to be a Big Social Event.

Nearly two hundred and fifty invitations are out for the 'At Home' to be given by the members of the Miramichi Social and Athletic club in the Town Hall on Friday evening next. It promises to be the social (informal) event of the season. A large number of invitations have been sent to outside points, and it is expected, that St. John Halifax, Yarmouth, and Fredericton will be represented. A decorating committee is busily engaged in beautifying the Town Hall. Bunting, flags, spruce, and chinese lanterns are decidedly in evidence.

A feature of the affair will be a cake walk, which will be done by ten of our best looking young men and girls. Costumes have been imported from St. John.

This event will close the evening's entertainment.

WEDDING BELLS.

A Chatham Couple Married in Fairville.

FAIRVILLE, N. B., Nov. 22nd.—The church of the Good Shepherd was crowded this afternoon when Miss Anna Reed and Mr. F. R. Anderson of Chatham were united in marriage by the Rev. Dr. E. McKiel. The bride looked well in a travelling suit of electric blue with hat to match, and was attended by her sister Miss Mamie Reid, while Mr. V. A. Danville supported the groom. The bride was given away by her uncle Mr. Robt. Armstrong. Immediately after the ceremony the happy couple drove to St. John and took the express for Chatham where they will reside in future.

Appointed Town Clerk and Treasurer.

Mr. Lingley Resigns and Presents his Bill.

Rules of Order Passed by The Council.

The Mayor and Alds. Fish, Creaghan, Sinclair, Ferguson, Street, Randle and Lawlor were present at the regular meeting of the Town Council held Wednesday evening.

The minutes of the last meeting were read and approved.

The plans and specifications of Engineer Mitchell for the water power were placed on the table and examined. The plans and specifications included both the hydraulic and electrical divisions.

Mr. W. A. Park wrote that he would be unable to accept the school trusteeship on account of his connection with the customs department. Mr. Park's resignation was accepted and Mr. E. A. McCurdy appointed.

Mr. Robertson Lingley tendered his resignation as town clerk and treasurer. The resignation was accepted.

Ald. Lawlor stated on behalf of the committee appointed to draw up rules of order, that they had prepared the rules and forthwith read them. Some slight changes were made after which they were accepted and passed.

Mr. James Murray was called to the board and asked to tell what he knew about the Mechanics Institute. After Mr. Murray had supplied the Council with considerable valuable information, he was tendered a vote of thanks.

There were two applicants for the town clerkship, viz., Mr. John Sargeant and Mr. R. T. D. Aitken. The Council voted by ballot and the result was—Aitken, 5; Sargeant 2. Mr. Aitken was declared elected.

Mr. Lingley tendered a bill of $25.25 for his services as town clerk.

Ald. Creaghan moved that the town clerk and treasurer enter into bonds for five thousand dollars in the Canada Guarantee Company, and that the council pay the premiums.

Carried.

Ald. Street moved that the town clerk correspond with different safe makers for the purpose of securing a safe for the town. Carried. Adjourned.

Mr. E. Sinclair, of Miramichi, is registered at the Brunswick.—Times 24th.

A CORRECTION.

Editor, Advocate:—Kindly correct statement made in last week paper regarding statement made by Mr. Ritchie. No such persons of this name represents the Canadian General Electric Co. Limited. The writer however was in town last week but your paper has not reported the statements correctly.

In the first place water power plants have proved absolutely satisfactory in every respect and furnish a model Electric Lighting system I did however make the statement that it should be a matter of careful consideration where the cost of developing a water power is great in some cases, parties are apt to ignore the fact that in some cases this class of development can be overdone that is to say that the interest on the works become far greater than the cost of fuel would be if using steam, it is simply a matter of figures both systems giving an equal satisfactory service. I have given no figures on the cost of steam plant but it may interest your readers to know that $16,000. would be very excessive and can be installed several thousand dollars less.

Yours truly,

J. W. Pilcher.

DEATHS AND BURIALS.

Mr. James Brown Passes Away.

One of the best Stagedrivers in the Province.

Funeral of the late Mrs. Robert Loggie.

Mr. James Brown, one of the oldest residents of Newcastle passed away on Wednesday last. Mr. Brown had been in ill health for some time, but nothing of a serious nature was looked for. He left for the Rennes on Saturday the 18th and as he did not return, Postmaster Harriman telephoned to Indiantown and learned that Mr. Brown had taken suddenly ill, and was at the residence of Mr. Frank Jardine. Mr. Brown gradually grew worse and died on Wednesday morning. Deceased came to Newcastle from the Nashwaak about fifty years ago. He drove the mail from the Miramichi to the Restigouche thence to Fredericton and back to Newcastle until the completion of the railroad. During the past twelve years he has driven the mail from Newcastle to Indiantown and Red Bank. Mr. Brown has been twice married. His first wife was Miss Freeze of Doaktown, daughter of Mr. Hiram Freeze, and his second wife was Miss Grace Mountain of Blackville and she survives him. Mr. Brown was one of the best known stage drivers in the province and his death will be greatly regretted.

The funeral took place from his late residence, at 2.30 o'clock, Friday afternoon, and was one of the largest seen in Newcastle for some time. The pallbearers were:—William Reid, Charles Reid, John Brander, J. D. Creaghan, John Williamson and Patrick Keating. The funeral service was conducted by Rev. Wm. Aitken. Interment took place in St. James' cemetery.

The funeral of Mrs. Robert Loggie took place Wednesday afternoon at half past one o'clock. Long before that hour people began to assemble at and near the late home of deceased, coming from all the surrounding parishes. The funeral service at the house was conducted by Rev. Wm. Aitken of St. James' Church, Newcastle—Mrs. Loggie's former pastor—assisted by Revds. T. C. Johnstone, J. M. MacLean and D. McIntosh. Prayer was offered by Rev. Mr. Johnstone and the hymn "Nearer with the Lord" was sung very feelingly by members of Loggieville Presbyterian Church choir, assisted by other friends. Rev. Mr. MacLean read the scriptural selections of the funeral service, prayer was offered by Mr. Aitken and the benediction was pronounced by Rev. Mr. McIntosh.

The pallbearers were Messrs. John O'Brien, M. P. P., Geo. Burchill, jr., W. A. Park, W. B. Snowball, J. W. S. Babkirk and J. R. Johnston. The procession formed under the direction of Mr. John McDonald and was over a mile in length. It included 141 teams and was the longest that ever entered Chatham. The interment was in Riverside cemetery. At the grave the concluding prayer of the service was offered by Rev. Wm. Aitken.

Mr. Thomas Maltby received word here last week of the death of his brother John, which occurred in Seattle. Mr. John Maltby was born in Newcastle but settled in the west a number of years ago. He died on the 17th after being ill about ten days. Deceased who was seventy-four of age leaves two daughters and five sons.

Mr John Russel, a prominent farmer of Upper Nelson died on Sunday. He was eighty-seven years of age. The interment took place yesterday in the Presbyterian burial ground at Derby.

STOMACH TROUBLE

A Frequent Source of the Most Intense Misery.

Mr. Harvey Price, of Bismark, Suffered for Years Before Finding a Cure—Dr. Williams' Pink Pills restored Him.

Those who suffer from stomach troubles are truly to be pitied. Life seems a burden to them; food is distasteful, and even that of the plainest kind is frequently followed by nausea, distressing pains and sometimes vomiting. Such a sufferer was Mr. Harvey Price, a well known farmer and stock-grower living at Bismark, Ont. To a reporter who recently interviewed him, Mr. Price said:—"I have found Dr. Williams' Pink Pills of incalculable value in relieving me of a long seige of suffering that I am not only willing but anxious to say a good word in behalf of this medicine, and this point the road to health to some other sufferer. For five years I had been afflicted with stomach trouble and a torpid liver. I doctored and also dosed myself of many kinds of food pleasant to the taste, but neither the medical treatment nor the diet seemed to help me in any degree. In January, 1899, the climax of my trouble appeared to be reached. At that time I was taken down with la grippe, and that, added to my other troubles, placed me in such a precarious position that some of my neighbors looked for my recovery. My appetite was completely gone, and I experienced great weakness, dizziness, vomiting spells and violent headaches. I was also troubled with a cough which seemed to rack my whole system. I shall never forget the agony experienced during that long and tedious sickness. Medical treatment and medicines of various kinds had no apparent effect in relieving me. After existing in this state for some months, my mother induced me to try Dr. Williams' Pink Pills. In May last I purchased three boxes, and before these were gone undoubted relief was experienced. This encouraged me to continue the use of the pills, and with the use of less than a dozen boxes, I was again enjoying the best of health. I can now attend to my farm work with the greatest ease. My appetite is better than it has been for years, and the stomach trouble that had so long made my life miserable has vanished. I have gained in weight and can safely say that I am enjoying better health than I have done for years before. I feel quite sure that those who may be ailing, will find a cure in a fair trial of Dr. Williams' Pink Pills.

Dr. Williams' Pink Pills make pure, rich blood, thus reaching the root of disease and driving it out of the system, curing when other medicines fail. Most of the ills affecting mankind are due to a specific which speedily restore the sufferer to health. These pills are never sold in any form except in the company's boxes, the wrapper round which bears the full name 'Dr. Williams' Pink Pills for Pale People.' All others are counterfeits and should always be refused. Get the genuine, and be made well.

Life and Health Are at Stake.

Your Case Calls for the use of

PAINE'S CELERY COMPOUND

Physicians and Druggists Recommend It.

Thousands are now hovering near the grave who can be brought back to their former health and strength if Paine's Celery Compound be faithfully used for a time. This wonderful medical discovery is acknowledged by physicians to be the greatest boon ever placed before suffering and half-dead men and women.

Paine's Celery Compound is at the present time doing a marvellous work all over this Canadian dominion. The sick are throwing aside medicines and remedies used for weeks and months without good results, and now have their confidence firmly established in Paine's Celery Compound, the medicine that truly bestows new life.

This statement is made on the strength of letters received from the sick and suffering and their friends. Cures are affected for thousands whose lives had been despaired of—cases that baffled the skill of able physicians.

If your life is made miserable by nervousness, sleeplessness, dyspepsia, rheumatism, neuralgia, liver or kidney troubles, try the medical effects of one bottle of Paine's Celery Compound, and you will joyfully go on until you stand on the solid rock of health.

NORTHESK.

Messrs. McKinley are selling all the machinery and moveables belonging to their spool factory and have advertised the buildings and property for sale. William McKinley and family have gone to Sydney, Cape Breton, leaving Mr. McK's brother to look after the business.

Miss Annie Murray, niece of Rev. J. D. Murray, Red Bank, is visiting friends in Chatham.

R. P. Whitney of Whitneyville made a business tour to Montreal, returning with 24 fine young cattle, which he intends fattening for the market.

Mrs. James Dunnett is improving in health.

Mrs. Benjamin Forsyth has returned from a visit to Lawrence, Mass., accompanied by her niece, Miss Flossie Lawrence.

Mrs. Betts of Doaktown has been visiting friends in Whitneyville and Strathadam.

Alexander Hare's little daughter, aged five, is very ill with convulsions. Mrs. William Hare is sick with a severe cold. M. Jardine, Southesk is recovering from his recent illness.

William Forsyth has departed for Michigan, U. S. David Donovan, one of our Strathadam boys, has also taken up his abode with Uncle Sam. Mrs. Smith and family have gone to Maine to join her husband, who has been there for some time. She was accompanied by her sister, Mrs. Hayward.

Rev. Mr. Brown of Campbellton gave an eloquent address in the Baptist church at Whitneyville on Sunday, 19th. The reverend gentleman exchanged pulpits with Rev. Mr. Baker.

Mrs. Loggie of Lyttletown is visiting her sister, Mrs. Margaret Clarke of Strathadam. Mrs. J. D. Murray has returned from a trip to Yarmouth, N. S., where she has been visiting relatives. On her way home she made a call at Buctouche.

Messrs. W. and J. McKinlay, who commenced operations in the spool wood business about a year ago near Redbank, have decided to go out of the business and are preparing to leave. They are selling everything that will take selling. The change must have come about very suddenly for they had been making arrangements for the winter's work at getting out the white birch for spool blocks, until within a very short time. Their departure will be a very great loss to the community, as they employed a large number of men in the business, and circulated a good deal of the needful. It is said they are to remove to Sydney, C. B.

PLANS FOR A BIG STORE.

Adams & Co's New Building to Be Finished in a year.

The new department store for Adams and Co., on Sixth avenue, will be erected at once. Final plans were filed yesterday.

Architects De Lemos & Cordes filed the first plans about two months ago. They call for a six story fireproof structure, to cost $750,000.

The new building will cover the Sixth avenue block between Twenty first and Twenty-second streets. Its dimensions will be 200x197.6. The rear section will be built before the present structure is disturbed. Work will be carried on so that business may be conducted as at present.

When the rear building is completed the various departments will be removed there from the present store. Then the Sixth avenue section will be constructed.

Mr. Adams and his partner, Mr. Flanagan, expect to complete the entire building in less than a year.—N. Y. Tribune.

GLOUCESTER ELECTION.

BATHURST, Nov. 27.—The following candidates were nominated to-day for the present seat in the Local legislature; Messrs. Fred T. B. Young, John Young, Prosper Pauline and Augustine Mache, all supporters of the present government.

Fighting the Fires.

Hard life the plucky firemen lead; out in all sorts of weather, losing sleep, catching cold and straining their backs.

Hard to have strong, well kidneys, under such conditions. That's why firemen, policemen and others, who are exposed to the weather, are so often troubled with Back, Loins, Bladder and with Urinary Troubles.

DOAN'S Kidney Pills

are helping hundreds of such to health.

Mr. John Robinson, chief of the fire department, Dresden, Ont., says:

"Before I'm taking Doan's pills I had kidney trouble which caused severe pain in the small of my back and in both sides. I had a tired feeling and never seemed to be able to get rested. However, I commenced the use of Doan's Kidney Pills, and after taking three boxes am completely cured. I have now no backache or urinary trouble, and the tired feeling is completely gone. In fact, I am well and strong."
