 I have also the sole right to use
Young's New Axle Cutter
 Patented in the United States and Dominion
 of Canada. We would call the attention of
 all owners of carriages or waggons to this
 Machine and the benefits derived from its
 use. All wagon axles after being two or
 more years in use become worn till they
 become loose, requiring the use of leather
 washers to take up the lateral play; the
 washers soon filling with sand, cause
 the axles to wear much faster, until the
 axle is soon ruined, or nearly so.
THE REMEDY.
 By the aid of this very simple machine,
 the shoulder for the axle nut is cut back and
 the thread extended, allowing the nut to be
 screwed further on, causing the wheel to
 turn as evenly as when new. Give us a call
 before purchasing elsewhere. A Paint shop
 is in connection with the Factory.

THE RIOT IN COUNTY CLARE

The following is the version
 the Clare riots which took place
 a week from Thursday last,
 given by the correspondents
 who view the question from
 Landlords standpoint. The
 statements are no doubt, in so
 cases monstrous exaggeration.
 There was a serious riot
 Bodyke, County Clare, on the
 day. Accounts from Ennis state
 that Lieut. John O'Callaghan,
 accompanied by 80 police a
 the bailiff, went to the village
 Bodyke to serve writs on some
 of Colonel O'Callaghan's tenants.
 The people were gathered
 together by the ringing of
 church bells and the blowing
 of horns. They assembled
 thousands in the village and
 the surrounding heights and
 tempted to impede the progress
 of the police force. The
 collision took place at the
 entrance of the town. Six mounted
 policemen were ordered to
 charge the crowd which began
 ingress to the village. In
 charge one man was seriously
 injured. From the threatened
 attitude of the people it was
 deemed advisable to send
 reinforcements, and a mounted
 trooper was despatched to
 for soldiers. The force quatered
 there consisted of 40 men
 of the 64th Foot were soon
 the scene. In the meantime
 bailiff and Colonel O'Callaghan
 went to the first house to
 served; but a regular fusillade
 was opened on the party by
 the heights. The Rev. Mr.
 Murphy, in running up the
 to implore the people to desist
 had a narrow escape from being
 shot, a rifle bullet perforating
 his coat. Meanwhile the fire
 was continued, and the Riot
 having been read, the fire was
 returned by the police, who
 charged the people, and after
 hot pursuit of half-a-mile, cap-
 tured 16 men. These, however,
 had managed to get rid of their
 guns. They were brought to
 handcuffed, and marched in
 the hands of the police from
 to house as the writs were served.
 This had the desired effect
 and no further obstruction was
 given to the police till they were
 returning home to Ennis. About
 ten o'clock, at Fort Anbeg, within
 two miles of Tulla, the police
 got off the cars to walk up
 steep hill. At the turn of
 road an armed party was lying
 in wait, and immediately opened
 fire on the police from an
 adjoining wood. No less than
 forty shots were counted
 regular file firing order, the
 bullets whizzing over the heads
 of the police, fortunately doing
 injury. The police briskly
 turned the fire, but with what
 effect is not known. About
 quarter of a mile further on they
 were again fired on by another
 armed party from behind
 hedges, and one of the horses
 the car, on which sat Colonel
 Inspector Smith, was shot dead.
 The police made a dash
 through the fields, and the
