

POOR CO

AFTER SUFFERING YEARS

Cured by Lydia E. Pinkham's Vegetable Compound

Fox Creek, N.B.—"I have always had pains in the loins and a weakness there, and often after my meals my food would distress me and cause sickness. Lydia E. Pinkham's Vegetable Compound has done me much good. I am stronger or digestion better, and I can walk with ambition. I have encouraged many mothers of families to take it as it is the best remedy in the world. You can publish this in the papers."—Miss WILHELM BOYDRE, Fox Creek, N.B., Canada.

The above is only one of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, actually does cure these obstinate diseases of women after all other means have failed, and that every such suffering woman owes it to herself to at least give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation, or giving up hope of recovery.

Mrs. Pinkham, of Lynn, Mass., invites all sick women to write her for advice. She has guided thousands to health and her advice is free.

THE VITALITY OF ANNUITANTS

The question is often asked: "Why do annuitants live longer on the average than other people?" The great factor in the question of course is that those people live the longest who have the least worries. It is a truism that worry kills more people than work does. Take from a man the primal worry of existence, the worry about his present position, and you leave him free for higher and more healthful activities. Burden a man with the fear of the poorhouse or a despondent dread and you cripple his vitality. A man who is ever so busy, meeting the evil days and glad to see the new year, that some storm may break at any time to destroy his hoarded grain, comes to these same lean years with more energy but with shattered nerves as well.

For men and women it is well that the Government has provided a safe and sure way by which they can save their money with perfect security, so that they shall be able to meet old age comes. "I don't know," says one, "not that I don't know, but I may be a burden on my family in my last days."

A Government Annuity will not solve your problems, but it will solve many of them. Write for a prospectus, or write to the Department of Annuities, Ottawa, for information.

BEAVER FLOUR

combines the rich gluten of Manitoba Spring wheat and the lighter, but equally important, properties of Ontario Fall wheat. The two combined form a perfectly blended flour that makes bread light, white, nutritious and extremely palatable, while pastry made with Beaver Flour has a crisp, flaky texture that brings many a compliment to the cook.

You don't need to be an expert in baking to attain the best results with BEAVER FLOUR. But if you are an expert, you will readily recognize its incomparable qualities. Your grocer has BEAVER FLOUR, and will recommend it.
