

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrup. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. WHEN CHILDREN NEED Zam-Buk

THE bruised forehead, trapped finger, cut hand, sprained foot, or smarting burn or scald, are quickly and safely healed with Zam-Buk. On the other hand, there isn't another remedy can compare with it for the treatment of eczema, ringworm, or other eruptive skin diseases which children catch from playmates.

Zam-Buk comforts the tenderest babe, for the purest and scientific blending of Nature's purest herbs and soothing as Zam-Buk in pain and irritation, yet it possesses a great antiseptic power. Coarse fatty salves and ointments merely clog up the skin. But Zam-Buk, owing to its extraordinary refinement is readily absorbed into the tiny pores, whence its purifying healing influence is carried into the underlying tissues.

That is why Zam-Buk is so wonderfully effective in dealing with deep-seated ulceration or inflammation.

Mrs. T. D. Ruston, Children's Aid Society, Belleville, Ont., writes: "We never use anything but Zam-Buk for our children's cuts, burns, bruises and sores. Experience proves it superior to anything else for soothing pain and quick healing. We really could not afford to be without Zam-Buk."

FREE! Mothers! Test this great healer to-day! Send 1c. to Zam-Buk Co., Toronto, for Sample Box.
